

## ACKNOWLEDGMENT

It is because of Allah SWT I am able to experience college life. It is also because of Him I can finish my study and get bachelor degree. I would especially like to thanks my first adviser, bu Siti Wachidah, Ph.D, who has helped me to grow better personally and professionally. It is because of her endless caring and guidance I can finally finish my *skripsi*. Thank you very much Bu. I would also like to thank my second adviser, pak Dr. H Muchlas Suseno, M.Pd, who has encouraged me in finishing my *skripsi*. I also like to thank my examiners for the input to improve my *skripsi*.

My greatest and highest appreciation goes to my parents, Ayah dan Mamah. Thank you for the patience in waiting for my graduation. Thank you for the silence support, you know me better than anybody else. Words can not describe my love towards you. Also, biggest love to my brother and sisters who has become my energy and motivation. I also thank my big family from Ayah and Mamah for the blessing.

I thank my several support systems in finishing this study. First, the YooHooers, Cenuy, Idin, Hanna, and Nindy. Thanks for always been there and cheer me up when I started losing myself. Next, I also love to send my gratitude to my best friends since middle school, Nisa and Aini who always concerns about my happiness. Last, my team, under Halliday Gang, Fiana, Nisa, Paul, Febby,

Devny, Nuri, dan kak Danar, you all know my struggle better than anybody but you guys always the one who showed up and gave a hand.

Last but not least, my 14 DD mates and all fellow EDers, I am very comfortable to be with you guys for these years. I hope that we can manage to keep in touch. I will love to see you guys successful.
