DAFTAR TABEL ........................................................................................................... xii
DAFTAR LAMPIRAN .................................................................................................. xiii

BAB I PENDAHULUAN

1.1. Latar Belakang Masalah ................................................................................. 1
1.2. Identifikasi Masalah ....................................................................................... 5
1.3. Pembatasan Masalah ...................................................................................... 5
1.4. Perumusan Masalah ....................................................................................... 5
1.5. Tujuan Penelitian ........................................................................................... 6
1.6. Kegunaan Hasil Penelitian ........................................................................... 6

BAB II KAJIAN TEORETIK

2.1. Landasan Teori ................................................................................................. 7
   2.1.1. Media Pembelajaran .................................................................................. 9
   2.1.2. Multimedia Pembelajaran ....................................................................... 14
   2.1.3. Efektivitas Pembelajaran ......................................................................... 16
   2.1.4. Teori dan Praktik Plumbing .................................................................... 20
2.2. Penelitian Relevan ........................................................................................ 22
2.3. Kerangka Konseptual .................................................................................... 23
2.4. Hipotesis Penelitian ...................................................................................... 24
BAB III METODOLOGI PENELITIAN

3.1. Tempat dan Waktu Penelitian ............................................................25
3.2. Populasi dan Sampel Penelitian .......................................................25
3.3. Definisi Operasional .........................................................................26
3.4. Metode dan Rancangan Penelitian ..................................................26
3.5. Perlakuan Penelitian ........................................................................28
3.6. Instrumen Penelitian ........................................................................29
3.7. Teknik Pengumpulan Data .................................................................31
3.8. Teknik Analisis Data .........................................................................31
3.9. Hipotesis Statistik ............................................................................33

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1. Deskripsi Data ..................................................................................35
4.2. Pengujian Persyaratan Analisis ..........................................................49
4.3. Pengujian Hipotesis ..........................................................................50
4.4. Pembahasan ......................................................................................51

BAB V KESIMPULAN, IMPLIKASI, DAN SARAN

5.1. Kesimpulan .......................................................................................54
5.2. Saran ...............................................................................................54
