Abstract

The research was already implemented at Al-Azhar 12 Internasional Junior Highschool Rawamangun, East Jakarta, which is intended to knowing the process of quality improvement of education in the school. The research This research was implemented in November 2018 until January 2019. Researchers used a qualitative approach and descriptive methods. Data collection is done through interviews, observation, and documentation studies. The sources of this research are: Deputy Director of Dikdasmen YPI Al-Azhar Pusat, Kasi Curriculum Dikdasmen YPI Al-Azhar Pusat, Principal of Al-Azhar 12 Internasional Junior Highschool Rawamangun, and several other supporting informants such as educators and students.

Quality improvement of educators and students of Al-Azhar 12 Internasional Junior Highschool Rawamangun is by implementing various programs aimed at educators such as coaching OSN HOTS teachers and fostering Arabic language skills for teachers. The programs for students include; Cambridge, Immersion, and Pesantren Alam (SALAM). These programs are mandatory programs that must be carried out by all of school members

The existence of these programs is expected to improve the quality of educators and students at Al-Azhar 12 Internasional Junior Highschool Rawamangun, East Jakarta.

Keywords: *Quality Improvement of education, Quality Improvement of educators and students, Al-Azhar 12 Internasional Junior Highschool Rawamangun, East Jakarta.*
