	<p>Despite having all our computers, hard drives, cameras, passports and clothes stolen from us while recording our new album, we have successfully completed recording all the tracks for our new album Ground Zero. It's been a long complicated process, but everything is now recorded and in the process of being mixed. We are currently working out the final details and will be determining a release date soon.</p> <p>We'd like to thank all contributors to our indiegogo crowd fund campaign. With your help and support we've been able to put together a record that we're all extremely proud of. You should expect your perk packages to arrive shortly before the release date which is soon to be determined.</p> <p>Thank you to all of our fans and followers for your patience and support over the process of making this album. We can't wait to get it released and in your hands.</p>	<p>their recording.
