ABSTRACT

Mila Amelia Lestari, 2021. Employing BBC Learning Website as materials to improve students' listening skills. Thesis. Jakarta. English Education Study Program, Faculty of Languages and Arts, Universitas Negeri Jakarta, August 2021.

Websites can be a reference for learning media for teachers to convey knowledge and information to students. Recently, there is a large selection of websites that teachers use as the primary material. Therefore, it is necessary to choose a suitable website for students by analyzing the English website. to find evidence of the extent to which BBC Learning English fulfills the criteria of suitable English materials to improve students' listening skills. The study conducted a qualitative descriptive design and is categorized as document analysis. Yang and Chans (2008) divided into three categories: The general design, the technical design, and the pedagogical. The finding showed that the quality of the English website "BBC Learning English" is suitable enough to be used as a learning material in improving students' listening skills because almost all the criteria by Yang and Chan's Evaluation List were achieved.

Keywords: Website Evaluation, English Website, A Qualitative Study, Yang and Chan's Evaluation List, BBC Learning English.

ACKNOWLEDGEMENT

Praises are to Allah, the Most Gracious and the Most Merciful, for the strength and guidance, without which I would not have been able to complete this skripsi. The writing of this skripsi has been a dreary journey: it was both highly lonely and highly convivial. For hours on end, I would work, monklike, holed up in my room, and then emerge out of my cocoon for discussions with friends. No matter how little, it is undeniable that it has helped me grow as a person. Completing this skripsi would not have been possible without the support of my family, friends, and supervisors.

Foremost, I would like to express my deepest gratitude to my supervisors, Ibu Prof. Dr. Ilza Mayuni, M. A., and Dr. Hanip Pujiati, M.Pd, for their continuous support and immense knowledge since I embarked upon my bachelor's degree journey. Through thick and thin, their guidance serves as a lighthouse where it remains luminous until the end of this journey.

My most profound appreciation and gratitude also go to my parents, whose unrivaled support and love have helped me immensely pick myself back up time and time again. Without them, I have no idea how I would have made it through this journey. I love you both.

I would also like to thank my friends for all their support and encouragement. Thank you for being such great and supportive friends to the TGIFs Sarah, Kara, Neng, Nurul, Bii, and Putri. Going to school was much more fun because I got to see all of you. Finally, my sincere gratitude goes to my friends in 16DC. May Allah bless us all.
