ACKNOWLEDGMENT

Throughout the writing of this thesis. I have received a great deal of support and assistance.

I would like to express my gratitude to my supervisor, Ma'am Sri Sumarni, whose always guiding me the valuable guidance throughout my studies, providing me with the tools that I needed to choose the right direction and successfully helping me to complete my research. Your insightful feedback pushed me to sharpen my thinking and brought my work to a higher level.

I would particularly like to thank Mr. Wayan Darya as my another supervisor, for your patient support and for all of the opportunities I was given to further my research.

I have greatly benefited and received generous support from SMPIT Al-Ikhlas Pondok Melati especially from Mr. Yosef, Mrs. Rini and Mr. Herman. Without their permission, this study would not have been possible.

I am deeply grateful to my family for their wise counsel and sympathetic ear. All of you are always there for me. I also would like to show my greatest appreciation to Shifa, Icha, Febri and Mila, Risya, Kerin, Puji, Mita. They have been extraordinary supportive and generous in giving me constructive comments

and warm encouragement throughout my studies. In addition, I also received generous support from Yose and Randy. They provided great music playlist which

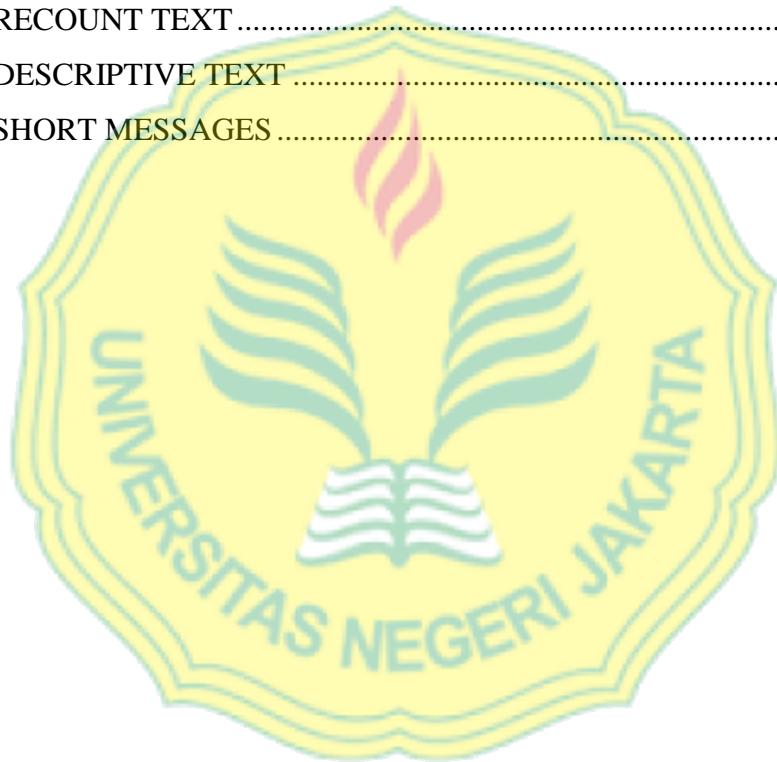

have brought me joy, blissfulness, and comfort throughout my research.
