

ABSTRAK

Noer Cahyo Dirgantoro, Sikap Spiritual Anak Pemulung pada Rumah Singgah Swara Peduli (Studi Kualitatif pada Program Kelas Agama di Rumah Singgah Swara Peduli). Skripsi. Program Studi Pendidikan Pancasila dan Kewarganegaraan, Fakultas Ilmu Sosial, Universitas Negeri Jakarta, 2019.

Penelitian ini bertujuan untuk mengetahui sikap spiritual anak pemulung pada Rumah Singgah Swara Peduli, mengetahui pelaksanaan pembinaan sikap spiritual pada program kelas agama Rumah Singgah Swara Peduli, mengetahui faktor pendukung dan penghambat yang mempengaruhi pelaksanaan program kelas agama pada Rumah Singgah Swara Peduli.

Metode penelitian yang digunakan yaitu studi kualitatif, dimana peneliti melakukan eksplorasi secara mendalam terhadap sikap spiritual anak pemulung dan program kelas agama di Rumah Singgah Swara Peduli. Pengumpulan data yang digunakan adalah wawancara, observasi, dan studi kepustakaan. Penelitian ini dilakukan sejak bulan Februari hingga Mei 2019.

Hasil penelitian ini menunjukkan bahwa (1) Sikap spiritual anak pemulung yang terjadi di Rumah Singgah Swara Peduli sudah dapat dikatakan cukup baik, namun terdapat beberapa yang masih perlu diperhatikan yaitu pilih kasih terhadap teman, anak mengedepankan emosi dan ego, kurang peduli terhadap lingkungan sekitar serta kurang aktif. (2) Pelaksanaan program kelas agama berada ditahap pembiasaan seperti sholat berjamaah, menerapkan doa dan surah dalam kegiatan, penerapan adab-adab keseharian. (3) Adanya faktor pendukung seperti adanya materi dan fasilitas, sedangkan faktor penghambat seperti berasal dari faktor eksternal keluarga, pergaulan, serta kurang lengkapnya fasilitas di Rumah Singgah Swara Peduli.

Kata Kunci : Sikap Spiritual, Anak Pemulung

ABSTRACT

Noer Cahyo Dirgantoro, Spiritual Attitudes of Scavenger Children's at Swara Peduli Halfway House (Qualitative Study on Religious Class Programs in Swara Peduli Halfway House). Essay. Pancasila and Civic Education Study Program, Faculty of Social Sciences, Universitas Negeri Jakarta, 2019.

The aims of this study are to find out the spiritual attitudes of scavenger children at Swara Peduli Halfway House, to find out the implementation of spiritual attitudes towards the religion class program at Swara Peduli Halfway House, to find out the supporting and inhibiting factors that influenced to the implementation of religious class programs at Swara Peduli Halfway House.

Qualitative study is used as the methodology of this study, the researchers explored deeply the spiritual attitudes of scavenger children and religious class programs at Swara Peduli Halfway House. The data collection used interview, observation, and literature study. This research was conducted from February to May 2019.

The results of this study showed that (1) the spiritual attitude of scavenger children in Swara Peduli Halfway House is quite good, but there are several things that still need to be considered, such: the children play favor towards some friends, prioritizing emotions and ego, less concerned about the environment and less active. (2) The implementation of the religious class program was borne by habituation such as doing prayer together, applying dua and surah in every activities, applying the daily customs. (3) There are supporting factors such as the existence of material and facilities, while inhibiting factors come from external family such as association, and incomplete facilities at Swara Peduli Halfway House.
