

## ACKNOWLEDGEMENT

First of all, I would like to say *Alhamdulillah Rabbil Alamin*, praise to Allah SWT for the endless blessing, health, and greatest meaningful experiences in my life.

My great respect and deepest gratitude go to my advisor Dr. Sri Sumarni, M.Pd. I am very much grateful and indebted for her comments and advices. Her priceless and countless suggestions for the whole process of this thesis and all the lecturers of English Department, I would like to thank for the knowledge and guidance during my study.

I'd like to express my gratitude to SMPN 216 Jakarta, Mrs. Ken Udyani whom give me permisson to get the documents that I need, the principal of SMPN 216 and the staffs for their permission to get the data for this thesis.

My great respect and gratitude go to my family; Bapak, Mama, and Mbah Kakung, Uta, Neng Caya, Bibi Yani which has become spirits in finishing this thesis. My sincere gratitude go to Mas Waluyo whom provided me the printer, thank you for your support.

I would like to say thanks to Rizki Muhammad Ardian Setiadi. Thanks for your encouragement, care, advices and support. Thanks for our journey that we have done together, you're the best. My gratitude is also for 11 DAM ; Imel, Tirto, Yuli, Dwi, Epe, Dyandra, Indri, Alfiah, Ersha, Iren, Nica, Bobi, and Willy. Thanks for being my partner for four years. I would also say thanks to the library of extension program of economic faculty of Indonesia University for the electicity and being the comfortable place to write this thesis. And for all people who help and support but have not mentioned. Thank you for the contribution and I pray best for you all.
