

## ACKNOWLEDGMENT

First and foremost, praises and thanks to Allah S.W.T. for His showers of blessings throughout my research work to complete my skripsi.

I would like to express my deep and sincere gratitude to my research supervisors, Lasito, M.App.Ling. and Siti Wachidah, Ph.D for providing invaluable guidance throughout this research. Thank you for always encouraging me to do my best and believing that I can finish my study well. It was a great privilege and honor for me to study under their guidance, as I have always been inspired by their vision and professionalism. Then, I would like to thank all of the lecturers and staffs of English Education Study Program of UNJ for the precious knowledge and advices throughout four years of my study. Also, many thanks to the deputy head of an institution that has allowed me to conduct my research there and helped me to sort out things that I need for my research.

I am extremely grateful to my parents for their love, prayers, and sacrifices in supporting all of the choices that I made in life. Along with my two little brothers and my deary, I am beyond blessed knowing that I still have place to lean back, shoulders to cry on when passing through hard times, and home to freely be my own self. I am thankful to Allah S.W.T. for putting me in the middle of the most caring, sweet and inspiring people like them.

As for *L'angels*, Tiara Chika and Syeren, thank you for really being the angels who are not only there to encourage me but also to motivate, push and even

hold out your hands to help me in dealing with *skripsi*. Thank you for being rational, neutral, and strong girls; thank you for being my teammates!

In the end, I must express my final appreciation for all of my lovely friends that always give comforting thoughts and prayers for me throughout my study. May God bless their kind souls! I would also gladly acknowledge 15 DB squad for all of the irreplaceable and unforgettable moments from MPA 2015 to the last day of our class in 110 semester. Keep humble and may God reunite us again in a more better place and time!
