

ACKNOWLEDGEMENT

Alhamdulillahirabbil‘alamin. First, I am very grateful to Allah for each and every blessing He gave so I can finally finish this *skripsi*. I must also express my very profound gratitude to my parents and my brother for providing me with unfailing support and continuous encouragement throughout my years of study and through the process of researching and writing this *skripsi*. This accomplishment would not have been possible without them.

The huge honor goes to Siti Wachidah, Ph.D as my first advisor. Thank you very much for spending your valuable time to give me guidance, advice, and support during the process of accomplishing this study. She consistently allowed this *skripsi* to be my own work, but steered me in the right direction whenever she thought I need it. I would also like to acknowledge Dr. Muchlas Suseno, M.Pd as my second advisor and I am gratefully indebted to his very valuable comments on this *skripsi*. Also, thanks to Dr. Hanip Pujiati as the Head of English Education Study Program at UNJ and Prof. Dr. Ilza Mayuni, M.A as my academic supervisor, who also gave me advice, guidance and permission through the process of writing this *skripsi*.

A very special word also goes to these following people:

1. My all time favorite people; Iffah, Dhiya, Putri, Ajeng, Fakhrana, another Ajeng, Mila, Diaz, Alfi, Nia, Pei, Nida and Dhika. They have always been a major source of support when things would get a bit discouraging and always being there for me since we were young.

2. My wacana girls; Christien, Dinka, Olip, Sevira and Syifana. Their presence was very important in a process that is often felt as tremendously solitaire. My college life would never be the same without them.
3. Halliday's fanclub!; Syifana, Nisa, Feby, Nuri, Fiana, Gyseil, Ka Danar and Aldo. My fellow graduate students, we did it guys! I will not forget friends who went through hard times together, cheered and helped each other. Thank you so much guys.
4. My sister/brother, Hisyam and Boim. Thanks for all the time, laugh, advice, support, help and necessary distraction. Thanks for always reminding me that I need to face all the things that happen and to feel alive.
5. To Naufal, thank you for helping me with my *skripsi* and its revision, no matter how technical this is for you. Thanks for the support you have provided me and for believing in me that I can finish this *skripsi*.
6. To all 14DC gangs. Thanks for giving me all the valuable experiences and memories. It is such an honor to know and be friends with you all. I wish all of you have a good life ahead.
