Dhea Rizky Syafitrie Hadi, 2019. Transitivity Analisis dari Representasi Joko Widodo didalam The Jakarta Post dan The Jakarta Globe. Thesis Jakarta: Sastra Inggris, Fakultas Bahasa dan Seni, Universitas Negeri Jakarta.

Penelitian ini bertujuan untuk menyelidiki bagaimana Joko Widodo di representasikan oleh media online The Jakarta Post dan The Jakarta Globe. Data yang digunakan adalah tiga artikel berita dari The Jakarta Post yang merepresentasikan Joko Widodo dan tiga artikel berita dari The Jakarta Globe. Penelitian ini menggunakan deskripsi analisis dari Kutha Ratna (2004) untuk menganalisis data. Penelitian ini menggunakan Systemic Functional Linguistics yang berfokus pada transitivity analisis dari M.A.K Halliday. Penelitian ini menunjukkan bahwa ada beberapa proses dominan yang merepresentasikan Joko Widodo di kedua berita online tersebut. Proses tersebut adalah *material* dan *verbal process*. Disamping kedua proses tersebut terdapat beberapa proses lainnya seperti *mental process*, *relational process* dan *existensial process*. Semua proses yang merepresentasikan Joko Widodo di berita *online* The Jakarta Post adalah pemimpin yang bertanggung jawab, jujur, tepat waktu dalam menyelesaikan program kerjanya. Sedangkan di berita online The Jakarta Globe, Joko Widodo direpresentasikan sebagai pemimpin yang tidak menepati janji-janjinya, tidak dapat menyelesaikan dan melalaikan program kerja khususnya dalam program hukum dan HAM.

ABSTRACT

Dhea Rizky Syafitrie Hadi, 2019. Transitivity Analysis of The Representation of Joko Widodo in The Jakarta Post and The Jakarta Globe Online Newspaper. Thesis Jakarta: English Language and Literature Department, Faculty of Language and Arts, State University of Jakarta.

This research aims to investigate how Joko Widodo is represented by The Jakarta Post and The Jakarta Globe online. The source of data was three articles from The Jakarta Post and three articles from The Jakarta Globe concerning the representation of Joko Widodo towards. This research uses descriptive analytical interpretive method from Kutha Ratna (2004) to analyze the data. This research uses Systemic Functional Linguistic that focused on the transitivity analysis by M.A.K Halliday. The research shows that there are two dominant processes in the articles to represent Joko Widodo. The processes are *material* and *verbal process*. Beside the two processes, there are still another processes, *mental*, *relational* and *existential process*. All the processes represent Joko Widodo as the leader who is responsible, honest and on time in completing his work program. Moreover, in The Jakarta Globe online newspaper, Joko Widodo is represented as the leader who has yet to fulfill his campaign and neglected his work program especially in human rights amid law.
