

ACKNOWLEDGEMENT

First of all, I put my massive gratitude to Allah SWT for the blessing and guidelines that totally help me in finishing this thesis. My enormous gratitude also dedicates to my parents, brother, and sister that already give lots of love, support, prayer which make me more confident, stronger, and believe that every challenge will be passed well. In the journey of fulfill the S.S degree, I am not separated from some assistances by following people who have great contribution, they are:

1. Mrs. Atikah Ruslianti as the Head of English Literature Program in English Department, Faculty of Language and Arts, State University of Jakarta as well as my Advisory Lecturer for her unlimited patience, kindness, and instruction that help me to finish my thesis successfully.
2. The lecturers of English Department for their big support.
3. Elvan Hermawan, my truly best friend since senior high school, who always stand next to me whenever I need, thank you for always sharing your infinity knowledge, your patience to help me in every aspect of my life.
4. Rani and Rere, my crazy best friend since senior high school, who constantly support and entertain with some advice, unique jokes, and wisdom, even though from far away. Keep this friendship going long-term!
5. Melissa Chou, you are highly insightful! My inspiring bestie that I have ever had. Thank you for your tutor's way in blessing, support, whenever I need some guidance, also your unlimited cheesy jokes that totally made my day.
6. Eka, Felicia, Haifa, Irna and Vania (Colossal Falsies Group), thank you for always next to me through thick and thin, accompany me in growing to be better one, you guys are so perfect for being my college bestie. Much Love!

May Allah SWT will give the kindness back to all of you. Amen.
