

## ACKNOWLEDGEMENT

Bismillaahirrahmaanirrahiim, Alhamdulillahirobbil'alamin, all praise and gratitude to Allah Subhanahu Ta'ala who always give me love, strength and ease in finishing this *skripsi*. Sholawat and salam may always be upon to my best role model, Prophet Muhammad Shallallahu 'alaihi wa sallam.

First of all, I would give the biggest gratitude to my parent, Mama and Papa, who give all the best for me. Without their material and physique supports and thousands night of prayers for me, I will never be able to write this acknowledgement and finish my study. To my four diamonds in my life, "*Lima Skrikandi*" (Rahma, Rahmi, Afifah and Salwa) thank you for every help, every hug and smile to get me through the hardships in finishing *skripsi*. They are my biggest strength and motivations to start and start over again in every time I fall in finishing this *skripsi*.

Huge respects and gratitude also presented to my great advisor, Prof. Dr. Ilza Mayuni, MA. Thank you for trusting me, giving me great advice, suggestions, inspirations, and supports. I am glad for having her as my advisor. She made me believe in myself, got me the best of her thought to develop my *skripsi* into a really good one for me. She also inspired me and my *skripsi* team to always stand up and believe to continue our studies. I am sorry for being procrastinator and weak. Thank you for being patients and tirelessly assisted me

until this time. She is an awesome woman in my eyes. I give my biggest salutation for her. May Allah bless her.

I also send my gratitude to my second *skripsi* advisor, Lasito, M. App.Ling, who gave me a great guidance and correction in finishing my *skripsi*. Without his guidance, I will not be able to write a meaningful idea like this. He also inspired me to read more and helped me to develop my thought. To all of my lectures who had taught me, especially to Dra. Rutsje Helena Damongilala, M. Pd who guided me in understanding my ideas into a significant study and to Dra. Sri Sulastini, M. A, who had suggested and reminded me to make a good writing. I really enjoyed their lessons in class and will never forget their advices. I also thank Mba Sony, Mba Amah, Mang Udin, Mas Aji and other staffs of English Study Program who helped me in certain substances.

Then, I would like to give my huge and warm gratitude for my best friends and sisters, Sidik Tittasiwi, Glenda M. Wiranty, Siti K. Novianty who always accompany me in chatting, eating, and doing assignments together. I also thank my family and classmates in 14 DB which I could not mention one by one, my *skripsi* team (Melissa, Jihan, Hani, Olivia and Nelvi) and Kak Alfree who tirelessly accompany me in sharing, chatting, laughing, and crying through the hardships and ease in my *skripsi* journey. There is no joyful time without them. Thank you for being there in every time I need. Thank you so much.
