

ACKNOWLEDGEMENTS

Alhamdulillah rabilalamin, I want to praise Allah subhanahu wa ta'ala for blessing, opportunity, health, and mercy to me in completing this undergraduate thesis. I would like to express my sincere gratitude to my advisors. This thesis would not have been possible without help, support and advices from Dra. Sri Sulastini, M.A. and Dr. H. Muchlas Suseno, M.Pd. I also would like to thank the support, opportunity, and time from all teachers who have taught me patiently.

I would like to thank my beloved family. First, my deepest appreciation goes to my grandmother. I couldn't pass anything without her. Thank you for always being home for me. Then, my beloved parents, Mama and Ayah. Thank you for the endless love, prayers and phone call when i'm completing this study. Thank you for always believe and support my way of life.

I would like to express my huge appreciation to all my friends at Universitas Negeri Jakarta, especially 15DB and DPMP Pendidikan Bahasa Inggris, you brought colors to my campus life. To my dearest best friends, Veny, Fransisca, Nita, Ella, Fau, Hilda, Ruth, thank you for always accompany me. I would like to thank to my seniors, kak Dela Hermaya Putri and kak Katitah Kersaning Gusti for your help, stories, and advices when i'm doing this study.

I am also very grateful to have some close friends who always support me, even from far away. Thank you Tifana, Rizka, Nilam, Icha, Ojan, Vibi, Alfat for always being in touch and planning a trip, giving me enthusiasm to finish this thesis asap. Thank you also to my SHS gurls, Cindy, Ajeng, Yanka, Nanda and Nilam for the night vidcalls.

Last but not least, to Abrar who is being with me since freshmen. Thank you for your time to take care of me when you're also doing your thesis.

The researcher realizes that this thesis has not been perfect, both in terms of material or presentation. But this study is expected to be useful not only for the researcher, but also for the readers. For this reason, the suggestions and constructive criticisms are expected in the completion of this thesis.
