ABSTRACT

Dewi Yanti . 2021 Non- Integral Citation Practices in the Discussion Sections of Two Articles on Citation Practices in *Journal of English for Academic Purposes*. A Skripsi. Jakarta: English Language and Education Study Program, Faculty of Languages and Arts, State University of Jakarta.

This study aims to examine the transitivity system of Non- integral citation practices in the Discussion section of two articles in *Journal of English for Academic Purposes* by investigating the type of processes used in the Non- integral citation and how each type of process is represented in the English lexicogrammatical system. The data for this qualitative study were collected through SFL analysis on two articles on citation practices from *Journal of English for Academic Purposes*. The study found that Processes of verbal, material, relational and mental are processes were used. Also, relational processes were the most dominant type of processes in the non integral citation in the discussion section.

Keywords: Non- integral citation, transitivity system, discussion.

ABSTRAK

Dewi Yanti. 2022. Praktik sitasi Non-integral dalam Bab Hasil Penelitian dan Pembahasan dari Dua Artikel Praktik Sitasi di *Journal of English for academic Purposes*. Skripsi. Jakarta: Program Studi Pendidikan Bahasa Inggris, Fakultas Bahasa dan Seni, Universitas Negeri Jakarta.

Penelitian ini bertujuan untuk meneliti sistem transitivitas dari sitasi non-integral dalam bab Hasil Penelitian dan Pembahasan dari dua artikel di *Journal of English for Academic Purposes* dengan cara menelusuri jenis-jenis proses yang digunakan dalam sitasi non-integral dan bagaimana setiap jenis proses dinyatakan dalam sistem leksiko gramatikal bahasa Inggris. Data dari studi kualitatif ini dikumpulkan melalui analisis SFL terhadap dua artikel tentang praktik mengutip dari *Journal of English for Academic Purposes*. Penelitian ini menemukan bahwa jenis proses *verbal*, *material*, *relational identifying*, *relational attributive*, *relational possessive*, dan *mental* adalah proses yang digunakan. Hasil penelitian ini juga menunjukkan bahwa proses *relational* paling dominan dalam sitasi non-integral di bab Penelitian dan Pembahasan.

Kata kunci: Sitasi Non-integral, Sistem transitivitas, hasil penelitian dan pembahasan.

ACKNOWLEDGEMENT

First of all the writer's deepest thank To Allah Subhanahu wa ta'ala, the lord of the universe an to our prophet Muhammad Shalallahu 'alaihi wasallam, may peace and blessing be upon him, his family and his follower. I would not have been able to write this thesis until it was finished without the taufiq from Allah Subhan hu wa ta 'ala. There are so many winding journeys in writing a thesis, from when I was pregnant, sick from nausea, positive for covid, giving birth to even writing a thesis while carrying out responsibilities as a wife and mother. Allah continues to give me strength and taufiq so that I can continue to persevere in this lecture and complete this skripsi.

Foremost, I would like to express my deepest gratitude to my supervisors, Ibu Siti Wachidah, Ph.D. and Bapak Lasito, M.App. Ling, for their continuous support and immense knowledge since I embarked upon my bachelor's degree journey. Through thick and thin, their guidance serves as a lighthouse where it remains luminous until the end of this journey.

My deepest appreciation and gratitude also goes to my mom, and my father, who have paid for my schooling until I got married. and I also thank my little family. my husband, Abah. Thank you for supporting until I can graduate from this university. and my son, Nuh. Thank you for giving lessons to your umma every day :). May my family always be in the protection of Allah Subhanaju wa ta'ala.

I also would like to express my deepest gratitude to all of my friends especially; Bii, Kara, Mila, Sarah, and Putri. thank you for being such great and supportive friends. Going to school was much more fun because I got to see all of you.
