

ACKNOWLEDGEMENT

My First thanks go to Allah SWT, who has given me His blessing, guidance and mercy which help me to accomplish this thesis. I also want to express my deepest gratitude to my family for helping me with various ways of support and being my biggest motivation in accomplishing my thesis. Thank you so much, Ibu, Bapak, Marmut, and Neng, I love you so much.

In doing my thesis, I have helped with some people from campus. First of them, I thank to my greatest supervisor, Eva Leiliyanti, Ph.D. for her guidance, advises, stories, and supports in helping me to organize my idea and to show me the correct ways for accomplishing this thesis. Second, to the team of Taman Kenari Nusantara, Jessica, Regina, Alwi, and Dion, thank you for the happiness and love we have share together in finishing this thesis. Third, to the member of 13SA, thank you for the all precious moments we have made together.

I deliver my gratitude to my second families which help me through their own styles. First, I thank to my lovely Dara Arfina Bella Lubis and her family for giving me the precious supports, love, and affections. I also thank Agheasma Creatix especially to Mbak Mayo, Mas Gama, Mas Andre, Mas Yudha, Duwi and Galih for giving me constructive pressures and enormous experiences. To FaktaBahasa Tangerang especially the Kuy renjer, Ropi, Dion, Ratri, Reny, Dea, Titi, and Ka Chysta, thank you for the happiness and experiences you have given to me in my college's life.

To all people who mentioned and not mentioned above, May Allah grants blessing, mercy, and prosperity. Aamiin
