

ACKNOWLEDGMENT

Alhamdulillah, all praises to Allah, most merciful and beneficent, for the blessing, strength, and everything He gives me to finish this *Skripsi*. I would like also to thank these people for being there;

The best supporters of all time—My Mum who is always checking me. My Dad – a man of his words who never absents reminding me to pray five times a day and recite Qur’an. My Bro, for the ups and downs since day one, and Bude Tity, who constantly reminds me to keep up the hardwork and pursue my dreams. I owe you guys a lot. Thank you for being there.

My sincere gratitude goes to my very inspiring advisors in conducting this research, Dra. Sri Sulastini, M.A, and Dr. Darmahusni, M.A. Thank you for the guidance, input, and everything you gave me. I would also like to thank the Head of English Language Education Program, Dr. Hanip Pujiati for being so thoughtful and so kind in helping me in any possible ways and all the lecturers for the new insights they have given me for during my study.

My love to my research partners, Leini, Aul dan Mila, thank you for making this journey in my life more memorable and thank you for sharing knowledge, experiences, times, laughter, anxieties and everything. My inner circle, Regina, Leini, and Febriani, thank you for being there, being you, accepting who I am, inspiring me in every way in your own way, sharing everything in life, being the ones who listen, thank you for the past few years in college. Ps. I miss us living together. My other circle, Aul, Tanty, and Ifa, thank you for being there and being who you are. It’s more than enough. I am thankful to be part of your journey in campus. I love you guys! My “BPH”, Desra, Dion Tanty, Jeco, Restu, Osy, Safira, Dwi, Debrina, Faqih, thank you for sharing the laughter and tears together.

My warm gratitude also goes to: Dian – the person who teaches me many things. Fajar – who shares infinity support for me and same vulnerability. Sekar – who always supports me in very creative way. Yasser – who always inspires me, thank you for listening, supporting and believing in me. The *Skripsi* fighters batch 2013. The 13DikA, for the lovely journey. The 13DikB, 13SasA, 13SasB for being my college mates. BEM ED & Amikers, I love you guys! Mang Irul, Mba Amah, Mba Tina, Mas Aji, Mang Udin and the genk, thank you so much for helping me!

The thank you also goes to The Brit-Guys; Eddie Redmayne, Tom Holland, and Matthew Goode for being my source of inspiration and my distractions. Nadiem Makarim, who invented GoJek Apps and Abang Go-Food for ordering my meals and delivering it to my dorm. I couldn’t thank you enough. Movies that I watch, books that I read, songs that I listen to, thank you for accompanying me.
