APPENDIX 1**Lyrics to Each Song in *Teenage Dream* Album****1. Teenage Dream :**

You think I'm pretty
Without any makeup on
You think I'm funny
When I tell the punch line wrong
I know you get me
So I let my walls come down
Doowwn

Before you met me
I was alright but things
Were kinda heavy
You brought me to life
Now every february
You'll be my valentine
Valentine

Let's go all
The way tonight
No regrets, just love
We can dance, until we die
You and I
We'll be young forever

You make me
Feel like I'm living a teenage dream
The way you turn me on
I can't sleep
Let's run away and
Don't ever look back
Don't ever look back

My heart stops
When you look at me
Just one touch
Now baby I believe
This is real
So take a chance and
Don't ever look back
Don't ever look back

We drove to Cali
And got drunk on the beach
Got a motel and
Built a fort out of sheets
I finally found you
My missing puzzle piece
I'm complete

Let's go all
The way tonight
No regrets, just love

We can dance, until we die
 You and I
 We'll be young forever

You make me
 Feel like I'm living a teenage dream
 The way you turn me on
 I can't sleep
 Let's run away and
 Don't ever look back
 Don't ever look back

My heart stops
 When you look at me
 Just one touch
 Now baby I believe
 This is real
 So take a chance and
 Don't ever look back
 Don't ever look back

I'ma get your heart racing
 In my skin-tight jeans
 Be your teenage dream
 Tonight
 Let you put your hands on me
 In my skin-tight jeans
 Be your teenage dream
 Tonight, tonight, tonight...

2. Last Friday Night (T.G.I.F.)

There's a stranger in my bed,
 There's a pounding in my head
 Glitter all over the room
 Pink flamingos in the pool
 I smell like a minibar
 DJ's passed out in the yard
 Barbie's on the barbeque
 There's a hickie or a bruise

Pictures of last night
 Ended up online
 I'm screwed
 Oh well
 It's a black top blur
 But I'm pretty sure it ruled

Last Friday night
 Yeah we danced on tabletops
 And we took too many shots
 Think we kissed but I forgot

Last Friday night
 Yeah we maxed our credit cards

And got kicked out of the bar
So we hit the boulevard

Last Friday night
We went streaking in the park
Skinny dipping in the dark
Then had a menage a trois
Last Friday night
Yeah I think we broke the law
Always say we're gonna stop-op
Whoa-oh-oah

This Friday night
Do it all again
This Friday night
Do it all again

Trying to connect the dots
Don't know what to tell my boss
Think the city towed my car
Chandelier is on the floor
With my favorite party dress
Warrants out for my arrest
Think I need a ginger ale
That was such an epic fail

Pictures of last night
Ended up online
I'm screwed
Oh well
It's a blacked out blur
But I'm pretty sure it ruled
Damn

Last Friday night
Yeah we danced on table tops
And we took too many shots
Think we kissed but I forgot

Last Friday night
Yeah we maxed our credits card
And got kicked out of the bars
So we hit the boulevards

Last Friday night
We went streaking in the park
Skinny dipping int he dark
Then had a menage a trois
Yeah I think we broke the law
Always say we're gonna stop-op
Oh whoa oh

This Friday night
Do it all again
Do it all again

This Friday night
 Do it all again
 Do it all again
 This Friday night

T.G.I.F.
 T.G.I.F.
 T.G.I.F.
 T.G.I.F.
 T.G.I.F.
 T.G.I.F.

Last Friday night
 Yeah we danced on table tops
 And we took too many shots
 Think we kissed but I forgot

Last Friday night
 Yeah we maxed our credit cards
 And got kicked out of the bar
 So we hit the boulevard

Last Friday night
 We went streaking in the park
 Skinny dipping in the dark
 Then had a menage a trois

Last Friday night
 Yeah I think we broke the law
 Always say we're gonna stop
 Oh-whoa-oh
 This Friday night
 Do it all again

3. California Girls :

I know a place where the grass is really greener
 Warm, wet and wild,
 There must be something in the water
 Sipping gin and juice,
 Laying underneath the palm trees
 The boys break their necks
 Trying to creep a little sneak peek at us

You could travel the world
 But nothing comes close to the golden coast
 Once you party with us,
 You'll be falling in love
 Oh, oh, oh, oh, oh, oh

California girls, we're unforgettable
 Daisy Dukes, bikinis on top
 Sun-kissed skin, so hot will melt your popsicle
 Oh, oh, oh, oh, oh, oh
 California girls, we're undeniable
 Fine, fresh, fierce, we got it on lock

West coast represent, now put your hands up
Oh, oh, oh, oh, oh, oh

Sex on a beach
We don't mind sand in our stilettos
We freak in my jeep,
Snoop Doggy Dogg on the stereo

You could travel the world
But nothing comes close to the golden coast
Once you party with us,
You'll be falling in love
Oh, oh, oh, oh, oh, oh

California girls, we're unforgettable
Daisy Dukes, bikinis on top
Sun-kissed skin, so hot will melt your popsicle
Oh, oh, oh, oh, oh, oh
California girls, we're undeniable
Fine, fresh, fierce, we got it on lock
West coast represent, now put your hands up
Oh, oh, oh, oh, oh, oh

California. California girls

4. Firework :

Do you ever feel like a plastic bag,
Drifting through the wind
Wanting to start again?
Do you ever feel, feel so paper thin
Like a house of cards,
One blow from caving in?

Do you ever feel already buried deep?
6 feet under screams but no one seems to hear a thing
Do you know that there's still a chance for you
'Cause there's a spark in you

You just gotta ignite the light, and let it shine
Just own the night like the 4th of July

'Cause baby you're a firework
Come on, show 'em what you're worth
Make 'em go "Oh, oh, oh"
As you shoot across the sky-y-y

Baby, you're a firework
Come on, let your colors burst
Make 'em go "Oh, oh, oh"
You're gonna leave 'em falling down-own-own

You don't have to feel like a waste of space
You're original, cannot be replaced
If you only knew what the future holds

After a hurricane comes a rainbow

Maybe your reason why all the doors are closed
 So you could open one that leads you to the perfect road
 Like a lightning bolt, your heart will blow
 And when it's time, you'll know

You just gotta ignite, the light, and let it shine
 Just own the night like the 4th of July

'Cause baby you're a firework
 Come on, show 'em what you're worth
 Make 'em go "Oh, oh, oh"
 As you shoot across the sky-y-y

Baby, you're a firework
 Come on, let your colors burst
 Make 'em go "Oh, Oh, Oh"
 You're gonna leave 'em falling down-own-own

Boom, boom, boom
 Even brighter than the moon, moon, moon
 It's always been inside of you, you, you
 And now it's time to let it through-ough-ough

'Cause baby you're a firework
 Come on, show 'em what you're worth
 Make 'em go "Oh, Oh, Oh"
 As you shoot across the sky-y-y

Baby, you're a firework
 Come on, let your colors burst
 Make 'em go "Oh, Oh, Oh"
 You're gonna leave 'em falling down-own-own

Boom, boom, boom
 Even brighter than the moon, moon, moon
 Boom, boom, boom
 Even brighter than the moon, moon, moon

5. Peacock :

I wanna see your peacock, cock, cock
 Your peacock, cock
 Your peacock, cock, cock
 Your peacock
 I wanna see your peacock, cock, cock
 Your peacock, cock
 Your peacock, cock, cock
 Your peacock

Word on the street, you got somethin' to show me, ee
 Magical, colorful, Mr. Mystery, ee
 I'm intrigued, for a peek, Heard it's fascinating
 Come on baby let me see
 What you're hiding underneath

Words up your sleeve
 Such a tease
 Wanna see the show
 In 3D, a movie
 Heard it's beautiful
 Be the judge
 And my girls gonna take a vote
 Come on baby let me see
 What you're hiding underneath

I want the jaw droppin, eye popin, head turnin, body shockin
 (Uh, uh, oh, Uh, uh, uh, oh)
 I want my heart throbbin, ground shakin, show stoppin, amazin
 (Uh, uh, oh, Uh, uh, uh, oh)

Are you brave enough to let me see your peacock?
 Don't be a chicken boy, stop acting like a beeotch
 I'ma peace out go if you don't give me the pay off
 Come on baby let me see
 What you're hiding underneath
 Are you brave enough to let me see your peacock?
 What you're waiting for, it's time for you to show it off
 Don't be a shy kinda guy I'll bet it's beautiful
 Come on baby let me see
 Whatchu hidin' underneath

I wanna see your peacock, cock, cock
 Your peacock, cock
 Your peacock, cock, cock
 Your peacock
 I wanna see your peacock, cock, cock
 Your peacock, cock
 Your peacock, cock, cock
 Your peacock
 I wanna see ya

Skip the talk, heard it all, time to walk the walk
 Brake me off, stop asking if you bad, show me how's the boss
 Need some goose, to get loose, come on take a shot
 Come on baby let me see
 What you're hiding underneath

I want the jaw droppin, eye popin, head turnin, body shockin
 (Uh, uh, oh, Uh, uh, uh, oh)
 I want my heart throbbin, ground shakin, show stoppin, amazin
 (Uh, uh, oh, Uh, uh, uh, oh)

Are you brave enough to let me see your peacock?
 Don't be a chicken boy, stop acting like a beeotch
 I'ma peace out if you don't give me the pay off
 Come on baby let me see
 What you're hiding underneath
 Are you brave enough to let me see your peacock?
 What you're waiting for, it's time for you to show it off

Don't be a shy kinda guy I'll bet it's beautiful
 Come on baby let me see
 Whatchu hidin' underneath

I wanna see your peacock, cock, cock
 Your peacock, cock
 Your peacock, cock, cock
 Your peacock
 I wanna see your peacock, cock, cock
 Your peacock, cock
 Your peacock, cock, cock
 Your peacock

Oh my God no exaggeration
 Boy all this time was worth the waiting
 I just shed a tear
 I'm so unprepared
 You got the finest architecture
 End of the rainbow looking treasure
 Such a sight to see
 And this all for me

Are you brave enough to let me see your peacock?
 Don't be a chicken boy, stop acting like a beeotch
 I'ma peace out if you don't give me the pay off
 Come on baby let me see
 What you're hiding underneath
 Are you brave enough to let me see your peacock?
 What you're waiting for, it's time for you to show it off
 Don't be a shy kinda guy I'll bet it's beautiful
 Come on baby let me see
 Whatchu hidin' underneath

6. Circle The Drain :

This is the last time you say
 After the last line you break
 It's not even a holiday, nothing to celebrate

You give a hundred reasons why
 And say you're really gonna try
 If I had a nickel for every time
 I'd own the bank

I thought that I was the exception
 I could rewrite your addiction
 You could've been the greatest
 But you'd rather get wasted

You fall asleep during foreplay
 'Cause the pills you take are more your forte
 I'm not sticking around to watch you go down
 Wanna be your lover, not your fucking mother
 Can't be your savior, I don't have the power
 I'm not gonna stay and watch you circle the drain
 Watch you circle the drain, watch you circle the drain

You say it helps you write your rhymes
 Whatever helps you sleep at night
 You'll become what you despise
 A stereotype

You think you're so rock 'n roll
 But you're really just a joke
 Had the world in the palm of your hands
 But you fucking choked

Should've been my teammate
 Could've changed your fate
 You say that you love me
 You won't remember in the morning

You fall asleep during foreplay
 'Cause the pills you take are more your forte
 I'm not sticking around to watch you go down
 Wanna be your lover, not your fucking mother
 Can't be your savior, I don't have the power
 I'm not gonna stay and watch you circle the drain
 Watch you circle the drain, watch you circle the drain

Watch you circle the drain, watch you circle the drain
 You're going now, you're going now, you're going now

You fall asleep during foreplay
 'Cause the pills you take are more your forte
 I'm not sticking around to watch you go down

7. The One That Got Away :

Summer after high school, when we first met
 We make out in your Mustang to Radiohead
 And on my eighteenth birthday,
 We got matching tattoos

Used to steal your parents liquor
 And climb to the roof
 Talk about our future like we had a clue
 Never planned that one day
 I'd be losing you

In another life, I would be your girl
 We'd keep all our promises,
 Be us against the world
 In another life, I would make you stay
 So I don't have to say you were
 The one that got away
 The one that got away

I was June and you were my Johnny Cash
 Never one without the other, we made a pact
 Sometimes when I miss you,
 I put those records on, whoa

Someone said you had your tattoo removed
 Saw you downtown, singing the blues
 It's time to face the music,
 I'm no longer your muse but

In another life, I would be your girl
 We'd keep all our promises,
 Be us against the world
 In another life, I would make you stay
 So I don't have to say you were
 The one that got away
 The one that got away

The ooooooooo-one (x3)

The one that got away

All this money can't buy me a time machine, no
 Can't replace you with a million rings, no
 I should have told you what you meant to me, whoa
 Cause now I pay the price

In another life, I would be your girl
 We'd keep all our promises,
 Be us against the world
 In another life, I would make you stay
 So I don't have to say you were
 The one that got away
 The one that got away

The ooooooooo-one (the one) (x3)

In another life, I would make you stay
 So I don't have to say you were
 The one that got away
 The one that got away

8. E.T.

You're so hypnotizing
 Could you be the devil
 Could you be an angel

Your touch magnetizing
 Feels like I am floating
 Leaves my body glowing

They say be afraid
 You're not like the others
 Futuristic lover
 Different DNA
 They don't understand you

Your from a whole other world
 A different dimension

You open my eyes
And I'm ready to go
Lead me into the light

Kiss me, ki-ki-kiss me
Infect me with your love and
Fill me with your poison

Take me, ta-ta-take me
Wanna be a victim
Ready for abduction

Boy, you're an alien
Your touch are foreign
It's supernatural
Extraterrestrial

Your so supersonic
Wanna feel your powers
Stun me with your lasers
Your kiss is cosmic
Every move is magic

Your from a whole other world
A different dimension
You open my eyes
And I'm ready to go
Lead me into the light

Kiss me, ki-ki-kiss me
Infect me with your love and
Fill me with your poison

Take me, ta-ta-take me
Wanna be a victim
Ready for abduction

Boy, you're an alien
Your touch are foreign
It's supernatural
Extraterrestrial

There is this transcendental
On another level
Boy, you're my lucky star

I wanna walk on be the object your wave length
And be there when you vibrate
For you I'll risk it all
All

Kiss me, ki-ki-kiss me
Infect me with your love and
Fill me with your poison

Take me, ta-ta-take me
 Wanna be a victim
 Ready for abduction

Boy, you're an alien
 Your touch are foreign
 It's supernatural
 Extraterrestrial

Extraterrestrial
 Extraterrestrial

Boy, you're an alien
 Your touch are foreign
 It's supernatural
 Extraterrestrial

9. Who Am I Living For?

Yeah...yeah...yeah
 Uh...
 Yeah...yeah...yeah

I can feel a theme that's inside of me
 As I march alone to a different beat

Soul whisper lowing down my feel
 Yeah... yeah...
 I am ready for the road less traveled
 Soothing up's for my crowning battle
 This task is my own cross to bear
 But I will get there

It's never easy to be chosen
 Never easy to be called
 Standing on the frontline
 When the boxes are too full
 I can see the heavens
 But I also hear the tides
 Calling out my name

I could see the writing on the wall
 I can't ignore this war
 At the end of it all but
 Who am I living for?

I can feel this life best inside of me
 Going fast into a bow and lighten me
 I know and spark will sharp the world
 Yeah..yeah...

So I pray for safer like Easter
 I need your strength to handle the pressure
 I know there will be sacrifice but that's the price

It's never easy to be chosen
 Never easy to be called
 Standing on the frontline
 When the boxes are too full
 I can see the heavens
 But I still hear the tides
 Calling out my name

I could see the writing on the wall
 I can't ignore this war
 At the end of it all
 Who am I living for?

I could see the writing on the wall
 I can't ignore this war
 At the end of it all
 Who am I living for?

At the end... at the end...
 Who am I living for?
 At the end ... at the end...
 Who am I living for?

Have you used a head bead
 Where's the crown?
 Don't let the greatness scare you down

Have you used a head bead
 Where's the crown?
 Don't let the greatness scare you down

Oh.. Oh ... yeah

I could see the writing on the wall
 I can't ignore this war
 At the end of it all
 Who am I living for?

I could see the writing on the wall
 I can't ignore this war
 At the end of it all
 Who am I living for?

At the end... at the end...
 Who am I living for?

10. Pearl

She is a pyramid
 But with him she's just a grain of sand
 This love's too strong like mice and men
 Squeezing out the life that should be let in

She was a hurricane -cane-cane-cane
 But now she's just a gust of wind
 She used to set the sails of a thousand ships

Was a force to be reckoned with

She could be a Statue of Liberty
 She could be a Joan of Arc
 But he's scared of the light that's inside of her
 So he keeps her in the dark

Oh, she used to be a pearl, oh
 Yeah, she used to rule the world, oh
 Can't believe she's become a shell of herself
 'Cause she used to be a pearl

She was unstoppable
 Moved fast as light, like an avalanche
 But now she's stuck deep in cement
 Wishing that they'd never ever met

She could be a Statue of Liberty
 She could be a Joan of Arc
 But he's scared of the light that's inside of her
 So he keeps her in the dark

Oh, she used to be a pearl, oh
 Yeah, she used to rule the world, oh
 Can't believe she's become a shell of herself
 'Cause she used to be a

Do you know that there's a way out,
 There's a way out
 There's a way out
 There's a way out

You don't have to be held down
 Be held down
 Be held down
 Be held down

'Cause I used to be a shell
 Yeah, I let him rule my world
 My world, oh, yeah

But I woke up and grew strong
 And I can still go on
 And no one can take my pearl

You don't have to be shell, no
 You're the one that rules your world, oh
 You are strong and you'll learn
 That you can still go on
 And you'll always be a pearl
 She is unstoppable

11. Hummingbird Heartbeat

You make me feel like I'm losing my virginity
 The first time every time when you touch me

I make you bloom like a flower that you never seen
Under the sun we are one buzzing energy

Let's pollinate have sex to create a family tree
This evolution with you comes naturally
Some call it science we call it chemistry
This is the story of the birds and the bees

Even the seasons change
Our love still stays the same

You give me the hummingbird heartbeat
Spread my wings and make me fly
The taste of your honey is so sweet
When you give me the hummingbird heartbeat, hummingbird heartbeat
Oh oh
Hummingbird heartbeat
Oh oh
Hummingbird heartbeat

I've flown a million miles just to find a magic seed
A white flower with the power to bring life to me
You're so exotic my whole body fluttering
Constantly craving for a taste of your sticky sweet

I was on the brink of a heart attack
You gave me life and keep me coming back
I see the sunrise in your eyes, your eyes
We've got a future full of blue skies, blue skies

Even the seasons change
Our love still stays the same

You give me the hummingbird heartbeat
Spread my wings and make me fly
The taste of your honey is so sweet
When you give me the hummingbird heartbeat, hummingbird heartbeat
Oh oh
Hummingbird heartbeat
Oh oh
Hummingbird heartbeat

You love me, you love me
Never love me not, not, oh no
When we hear a perfect harmony
You make me sound like, like a symphony

Spread my wings and make me fly
The taste of your honey is so sweet
When you give me the hummingbird heartbeat, hummingbird heartbeat

You give me the hummingbird heartbeat
Spread my wings and make me fly
The taste of your honey is so sweet
When you give me the hummingbird heartbeat, hummingbird heartbeat

Oh oh
 Hummingbird heartbeat
 Oh oh
 Hummingbird heartbeat

12. Not Like The Movies

He put it on me I put it on
 Like there was nothing wrong
 It didn't fit
 It wasn't right
 Wasn't just the size

They say you know
 When you know
 I don't know
 I didn't feel the fairy tale feeling noo
 Am I a stupid girl for even dreaming that I could

If it's not like the movies
 That's how it should be yeah
 When he's the one
 I'll come undone
 And my world will stop spinning
 And it's just the beginning yeah

So I've said when I was young
 My prince will come
 So I was for that day
 They say it's hard to meet your match
 And find my better half so we make perfect shapes

If stars don't align
 If it doesn't spell time
 If you can't see the sign
 Wait for it
 One hundred percent with every penny you spend
 He'll be the one that finishes your sentences

If it's not like the movies
 That's how it should be yeah
 When he's the one i'll come undone
 And my world will stop spinning
 And it's just the beginning yeah oh yeah

Cause I know you out there
 And your your love came for me
 It's a crazy idea that you were
 Made perfectly for me you'll see

It's just like the movies
 That's how it will be
 Cinematic and dramatic without perfect tending
 Ohh it's not like the movies

1	Verse 1 line 1	Do you ever feel like a plastic bag , drifting through the wind wanting to start again?	Idiomatic Commonplace Comparisons	fragile	Katy Perry as the singer of this song directly revives listeners or people who feel so fragile, tossed, easily sad, upset, and who fail to do useful things to reach their goals, because people tend to do too many unnecessary things that consequently make them feel so useless. In some situations, people will face obstacles like being underestimated by others. In life there are so many choices lie ahead, and people do not need to be stuck in one choice. As the time goes by, trying harder and harder will make them stronger than before and then amaze others when they become near the success of the best choice they choose. Perry just asks people to hear their conscience that self-courage has always been attached to it. They are a fighter that lets confidence come out and speaks up the words. At last, Perry also states that they are inspirational for others and they have to prove it so then people will be guilty of underestimating them. Entirely Perry is sure that everybody can be a fighter that needs not to be afraid of
