

ACKNOWLEDGEMENT

In the name of Allah, The Most Beneficent and The Most Merciful, I would like to express my biggest gratitude to Mrs. Dra. Lina Yudianti, my caring advisor. Many thanks for your advices, support, assistance, wisdom and especially corrections which made me to go all this way. Thank you for keeping me on the right track when I'm over my head, often. Knowledge and wisdom are priceless; I cannot thank you enough for those two things that you have given to me. I would also like to add the lecturers in English Department; I learn so much things – too much to mention. I love learning new things, thank you for the knowledge.

To my both families, my biological family and my adopted family; most people only have one, all of you will not know how grateful I am to have two, which makes things easier especially when I am in need. I will not be even here, completing my study and earning all these things: love, life, and kindness. Especially for my late foster father, I hope I make you proud. Rest well and expect me for I will be buried next to you one day, or so I wish.

My friends, 11 Dik B Mandiri and 11 Dik A Mandiri, and other classes thank you for all of your kindness and assistance. Specifically people who support me when I'm in trouble, no matter how small the effort was; seniors, both from UNJ and outside UNJ, other friends who I cannot mention one by one, thank you.

My skripsi-mates, we're together in this, we support each other, and we will graduate together, insya Allah. Thank you for your support and assistance to each other: Budhi, Kevin, Kamila, Bunga, Yusuf, Dina, Siti Nurlaila, and Ramadhan.

Last but not least, I would like to thank you, *Mang* Udin for your assistance in the technical part of my study since the start of my study in UNJ; and also all other people whom I cannot mention due to the limitation of time and space. Thank you for being a part of my life.
