Alhamdulillah, All thanks and praises are for Allah S.W.T. The one who always on my heart, and the one who always support me in every cycle of life. Thank god for helping me to complete my mini thesis.

I thank to my Skripsi advisor, Ma'am Siti Wachidah, Ph.D who always push me to think, and teach me to think. Besides that, she is the one who never stops to teach me how to be a good teacher in learning language.
