

## ACKNOWLEDGEMENT

*Alhamdulillahirabbil alamiin*, all praise to Allah SWT the Almighty and the Most Beneficent. The greatest thank is to Allah SWT for only His remarkable blessings can the writer finish this thesis. *Shalawat* may always be praised to prophet Muhammad saw, his family and friends, and all Muslims.

Firstly, the writer would like to express her great gratitude and appreciation to Ati Sumiati, M.Hum as her first advisor and Hasnini Hasra, M.Hum as her second advisor for their guidance, advice, and discussion during the process of writing this thesis. The writer thanks all her lecturers for giving the valuable knowledge ever. The writer dedicates her sincerest and deepest thanks to her parents who always pray for her in their every prayer and to her sisters and brother for their endless cheers in the writer ups and downs these past months. For the writer aunt and uncles, thank you for providing a shelter and all financial support during this mini thesis. The writer also would like to express her thanks to all her friends in English Department especially 13SA who have been fighting together in completing the study here. Then, to the writer thesis-mate, Lita Ningtias, thank you for being the writer's best partner during this thesis. Not forgetting the writer circle of friend, C'est Moi, who keeps asking when the writer will graduate, thus, keeps her spirit on fire. And lastly, to someone with rare surname who has been indirectly becoming a great comforter as well as a distracter, thank you.

Finally, the writer realizes that this thesis is far from being perfect however the writer has tried to do her best. Yet, the writer hopes this study will become some help to those who have interest regarding this study. The writer would gratefully welcome any criticism for the betterment of this mini thesis.

Jakarta, August 2017
