

ACKNOWLEDGEMENT

This project has been a process full of highs and lows, and one that I am certain would not have reached achievement, had it not been for the incredible support and encouragement of a few important people to whom I owe my deepest appreciation.

- Firstly, I would like to thank to My Savior, Jesus Christ for a bunch of love and bless as long as studying at UNJ, specially finishing this thesis.
- A big honor to the Head of English Department Dr. Darmahusni, M. A and all lecturers of English Department who furnish the whole things in my life.
- A billion thanks to my thesis advisor and academic advisor Mrs. Ati Sumiati, M. Hum, who explains obviously all theories and provides wholeheartedly the guidance, patience, and support.
- Endless love to my super mom for always encouraging me to finish my thesis as soon as possible and making a delicious breakfast and my brother, Simon.
- Two thumbs for “GENK RONTOK”: Anka and Gokma who always listen, share, and survive the harsh life together.
- A bunch of love for my moodbooster, SM HKBP PruKlen and Heryanto S.M.T Napitupulu giving advices and sweet affliction in every time.
- Much kisses for the craziest class in the world, 11 SA MDR; Itel, Mpok, Atak, Lapet, Oji, Lely, Dea, Tika, Manda, Mupi, Reja, Depoy, Sintia, Abang, Tiara, and Umi who are being four years companion in this campus.
- A big hug for my heavenly base camp, STUDENT CORNER, ATMA JAYA’s LIBRARY and CANTEEN providing everything what I need.
