### **Language Skill**

#### **Mother Tongue**

Bahasa Indonesia

#### **Other Language**

English (oral and written), advanced

French (oral and written), advanced, DELF B2 (taken November 2014)

### **Social and Organizational Skills and Competencies**

I have participated in some kind of teams of student council organization and also in social organization like as a volunteer’s coordinator in Jakarta’s Governor Election. For 1 year I was a staff in student council division at my university.

### **Technical Skills and Competencies**

According to my academic background, I have some skills in French and English like talk to foreigners, have a good communication with the others, and have writing skills. Usually, I use my French and English for teaching and communicate with foreigners.

### **EXECUTIVE SUMMARY**

Talking French and English fluently makes me have the competencies needed in communicating with foreigners and the others. My competencies are adaptable, joyful, active-person and capable to work as a team or as an individual.
