ACKNOWLEDGEMENT

All praise is to Allah SWT for always blessing me whenever, wherever, and whatever I am especially for finishing this thesis. Without His blessing I would not have been able to undertake this daunting task

I would like to thank to my beloved mother, who always there to support and pray for me. And my beloved father, who already in heaven, I hope you see this in there, me miss you, Dad. And also for my brother and sister, for their constant support, encouragement and love. And for my niece, Zivanna Letisha, thank you for always being playful and cheer me up.

I feel much pleasure in expressing my heartiest gratitude to my thesis advisor, Dr. Ifan Iskandar, M.Hum. Thank you for your knowledge, guidance, advice, motivation and helping me to achieve this thesis. To the Head of English Department UNJ, Dr. Darmahusni, M.A., my academic advisor, Dr. Ratna Dewanti, M.Pd, and all of lecturers who taught and inspired me. Thank you for guiding me during the times in university. And many thanks for Prof. Dr. Ilza Mayuini, M.A and Dr. Sudarya Permana, M.Hum, as the ELTM 2 lecturers who help me collecting my data and also for 12 DBR, thank you for your cooperation and support.

Thanks for my thesis mate; Marina, Dame, Puspita, Ridho, Tiara, Ara, Ka Iqbal. Finally, we did it, gengs! Thank you so much my besties; Marina Theresia and Anna Dameria, who have taught me that the difference is nothing in friendship. Thanks to my classmates in 11 DIK A Reguler. All of you are good friends to me. For my beloved #KestariNeverDies, Rifqa Prasetyaningrum, Ditta Septiyani, and Wulan Pangetika, thank you for your concern and support. And also for BPH BEM ED 2012/2013, thank you for all the time we have shared, it was priceless. Finally, thanks for my seniors and juniors who I can't mention one by one but always give support for me to finish my thesis.
