

ACKNOWLEDGEMENTS

I would not have completed this *skripsi* if it wasn't for all the aids, advice, assistance, and guidance given by so very many individuals. Through this section, I would like to take the opportunity to humbly express my enormous feeling of gratitude by acknowledging and appreciating those who played a part in my educational journey.

Firstly, I would like to express my gratitude to The Almighty Allah SWT for having blessed my life with so many things beyond anything I could've ever hoped to possess – *Alhamdulillah*. Mostly I am thankful for the opportunity given to me to study in higher education. I've promised myself to devote all the knowledge and skills gained and learned from this study for the sake of human development and better future generation.

I would like to acknowledge the patience, guidance, and incredible support from my *skripsi* supervisors, Dr. Hanip Pujiati and Dr. Sudarya Permana. I also would like to thank Pak Arief, Bu Ratna Sayekti, (alm.) Bu Hani, (alm.) Bu Neneng, Bu Banu, Pak Ifan, Bu Wachidah, Bu Dharma, Bu Sri, Bu Tini, Pak Seno, Bu Nina, Bu Ati, Bu Voka, Pak Lasito and other lecturers who have supported me with their wisdom and knowledge and for having inspired and made me into the person I am today with knowledge and skills, integrity, patience, compassion, and other qualities to make a great teacher and human being.

Thank you to all my friends:

Friends in BEM ED, LPM ED, BPM FBS, MTM UNJ, thank you for providing me with endless opportunity to be a true learner which is to learn to live and work together with others. Learning from all of you is like jewels placed in my life's treasure chest.

Last but not least, I would like to sincerely thank my family:

Lukman, Bima, Deden, I deeply thank you guys for helping me accomplish this by sacrificing some time with me and keeping the house quiet. The good news is now you get me!

Dad, thank you for always being there for me, supporting me, and for not ever giving up on me! You are a lamp unto my feet and a light unto my path and the strength of my heart. Thank you for your sacrifice and amazing love.

Mom, thank you for saying, "don't give up! If it's not you then who else is gonna fight for your dreams?" Thank you for being my first teacher, the teacher I want to be, and for believing that I can do anything.
