

ACKNOWLEDGEMENT

Bismillaahirrohmaanirrohiim

First of all, the writer would like to express her sincere gratitude to Allah SWT for giving His mercy and blessing so the writer can finally complete this thesis. The writer would also like to thank all people who involved during the process of writing this research and accomplishing the writer's study.

The writer would like to express special gratitude to my first supervisor, Dr. Darmahusni, M.A, and my second supervisor, Dr. Ratna Dewanti, M.Pd, for their patience and kindness in giving ideas, advices, and great attention to accomplish this thesis. A deep and sincere gratitude are expressed to my supervisors for all their efforts in assisting me during the process of writing this thesis. They have been my constant source of knowledge, strong encouragement and critical support for complimenting this thesis. Indeed, it has been a great opportunity and happiness to work under the guidance of both supervisors.

The writer would like to express many thanks to Bapak Mulyana, S.H, M.M, as the Principle of SMK Dinamika Pembangunan 1 Jakarta and Bapak Saman, S.E, M.M., as the Principle of SMK Dinamika Pembangunan 2 Jakarta, who had allowed me to conduct research in those schools. The writer also express many thanks to Badrut Taman, S.Pd, the English teacher who was responsible as the coach of English Club in SMK Dinamika

Pembangunan 1 Jakarta and gave me an opportunity to conduct my study in his class with much guidance and shared his valuable experience.

Great thanks go to the writer's beloved parents, Mamah Siti Aminah and Bapak Supandi Achmad for giving support, financial and praying. Further, for my beloved husband, Giantana Osman (Abah Ujang), who always support, pray, and help in financial during the study and give his love and care so much for me. I really appreciate your patience and kindness during my study for this program. Many thanks also for my lovely sisters, Ibu Dewi, Bunda lin, and ate Ratih, for your support as well all my friends whom I couldn't mention one by one, but you are always in my heart, thank you for your motivation, support, pray, help and love. Especially for "Thesis Rangers", keep fighting. The last but not least, I dedicated this thesis for my little angel, my son Ghaaziy Osman Nugraha who was already on the side of Allah SWT. I love you.

Finally, the writer realizes that this thesis is far for being perfect. Therefore, critique and suggestion are welcome to achieve the completeness of this thesis.
