

APPENDIX 1

Table 1. The Classification of Figurative Language

No	Lyric	Figurative Language								Implied Meaning/Interpretation	
		A	B	C	D	E	F	G	H		
Song Title: Dead Inside											
1.	Revere a million prayers					Hyperbole					The word “million” is an exaggeration of amounts. So the figure in this lyric revere a very large amount of prayers, but it is impossible to do that. The Song’s writer tries to show if the figure doing very hard attempt in this life.

2.	And draw me into your holiness			Personification					<p>The sentence in this line categorized as Personification. Word “draw” known as a verb which mostly used by a human. Then, word “your” refers to the “million prayers” in the previous line. It makes the “million prayers” looks like can drown the 3. figure like a human. The song’s writer shows the figure has a hope to change his condition with his effort.</p>
3.	But there’s nothing there							Paradox	<p>The sentence in this line categorized as Paradox. The word “there” in the line referring to “your holiness” in the previous sentence which is indicating the figure effort in gaining her purpose to fixing her life. Then she just found nothing as the result of her effort.</p>

4.	Unleash a million drones				Hyperbole				<p>The sentence in this line is categorized as hyperbole. The word “million” is an exaggeration of amounts. So the figure in this lyric reveal a very large amount of drones, but it is impossible to do that because drones is a remote control war airplane with expensive price. But in this sentence “drones” symbolize something based on its characteristic. It is just a killing tool which can killing anyone with no hesitate. As a result, “Drones” categorized as a symbol.</p>
5.	And confine me then erase me babe			personification					<p>This sentence categorized as personification. The subject in this line is Drones from the previous line. The song’s writer makes drones looks like human by</p>

										writing “confine me”. As we know, only a human can confine someone or something.
6.	Do you have no soul ?			Personification						The sentence in this line categorized as personification. The figure asked “do you have no soul?” like he/she talking with human being. As we know “you” referring to drones and only human or creatures have a soul.
8.	Your lips feel warm to the touch			Personification						This sentence in this line categorized as personification. The sentence “your lips feel warm” make the drones look like has a lip like a human. Then, “feel warm” makes the drones look alive like has a blood inside his body, it is also makes the drones looks like a human.

9.	You can bring me back to life			Personific						The figure in this song hopes if drones can saving his/her life like drones is a human who can help each other.
10.	On the outside, you're ablaze and alive			Personification						This sentence explains the drones looks ablaze and alive. Once again, this statement makes the drones look like a normal human.
11.	But you're dead inside							Paradox		The last sentence explains how the drones look ablaze and alive on the outside but the figure finds the opposite in the drones by said "dead inside".
12.	You're free to touch the sky			Personification		Hyperbole				Drones can't touch anything but only human can do it. The song's writer put human characterization to drones using word "touch" as a verb. Then, "touch the sky" categorized as hyperbole because it

										is impossible to touch the sky. As we know, the sky is very high and wide.
13.	Whilst I am giving infinity					Hyperbole				Infinity is an exaggeration of an amount. it is impossible to give something infinity because infinity is something that will never perish. Even literally the song's writer use infinity it actually means the figure in the songs almost give everything he/she has to the drones.
14.	Your skin feels warm to caress			Personification						As we know Drones are war weapon. It hasn't skinned and should feel cold because it made by metal. The song's writer tries to put human characterization by said "your skin feels warm to caress". It makes drones look like a normal human.

15.	I see magic in your eyes		Metaphor	Personification						Based on the whole context of the song lyric, “magic” in this line had different meaning, “magic” means “hope” for the figure to get him/her out to the darkness in this life. when the figure said “in your eyes”, it is also giving a human characterization to the drones.
16.	Feel me now			Personification						Drones are an airplane robot. so, it hasn't any heart to feel someone or something. By said “feel me now” it makes the drones have human characterization.
17.	Hold me please			Personification						The only human can hold someone, so drones can't do it. By said “hold me please” the song's figure make drones look like a human.

18.	It's hurting babe		Metaphor							<p>“babe” is a metaphor for drones. Literally “babe” used by someone to call his/her love. It makes the song’s figure loving drones like a person who love someone.</p>
19.	Don't leave me out in the cold		Metaphor							<p>“Cold” literally means low temperatures. In this sentence “cold” has meaning if the world condition around “I” is very unfriendly or extremely danger. His weakness makes him struggle to face his world and makes his world is not a safe place to live.</p>
20.	Now I've become just like you		Simile							<p>“you” related with the drones. The song’s figure tries to relate himself with the drones. After the song’s figure fully trust and believe the drones he changes himself become drones.</p>

Song Title: Psycho

21.	Lost in the wild		Metaphor							<p>“wild” literally means “wild nature”. In this sentence context “wild” means if the world around “you” look like wild nature which means it is not safe because everyone can kill each other</p>
22.	Your ass belongs to me now					Synecdoch				<p>“Ass” is one of a human body part. “I” say “your ass” to mention the whole person of “you”.</p>
23.	Are you a human drone ?				Symbol					<p>Drone is a remote-control robot airplane. It is usually used for war to watch and kill the enemy from above. The Drone can be a symbol of a cold-blooded killer because it is can kill anyone without hesitation.</p>

24.	Your mind is just a program		Metaphor							A program is a familiar word for technology because it is a various instruction that can be put into a computer to run some operation or application. This sentence compared human mind with machine or computer which is need someone to put some program instruction to make it run.
25.	And I'm the virus		Metaphor							Virus related with disease or evil program in the computer to make it runs improperly. In this sentence, “I” as a subject, compare himself as a virus to infect human mind as a purpose to control and change their mind.
25.	I'll turn you into a super drone				Hyper					“Super” is an exaggeration for drone likes it has perfect skill and power. In reality

											“you” is a human and it is impossible to change him into a super drone, except it happened in a sci-fi movie.
27.	You are a pussy! I said show me your war face!		Metaphor								A pussy is part of women body which represents femininity. You considered as a man but he is compared with “a pussy” to mock him if he looks weak and fragile.

Song Title: Mercy

28.	I’ve fallen on the inside		Metaphor								“Inside” in this sentence has meaning outside it is literal meaning because it is has more than one meaning related to “I” psychology and mental condition during his virtues to fight against the anonymous power.
-----	----------------------------------	--	----------	--	--	--	--	--	--	--	---

29.	I tried to change the game								Irony	The game is an entertaining activity or sport. We can say if game related to a fun activity. When I said “I tried to change the game” didn’t mean he doing a fun activity, but the actual meaning is he trying to change a lot of plan and strategy to defeat the anonymous power.
30.	But now I’m losing men in cloaks				Symbol					Men in cloaks beyond the literal sense hold many mysteries because they are often associated with someone or something mysterious. In this song men in cloaks become symbols of the mysterious people who control my character.
31.	Always seem to run the show								Irony	Referring to the literal meaning, Show means a performance that aims to entertain the audience, but in the context

										of this sentence, the show has a different meaning. The other meaning is the activity to control people to perform the evil task that wanted by the mysterious people called men in cloaks in the previous line.
32.	Save me from the ghost and shadows		Metaphor							In this sentence, ghost and shadow are a comparisons of men in cloaks. In the previous table explain men in cloaks associated with something or a mysterious person, thus the sentence ghost and shadow can be a comparison to explain the character of the man in the cloaks as well as how character "I" looked at them.
33.	Absent gods and silent tyranny							Parado		The gods are the creators of the universe and have infinite power. He is also perfect

										and incomparable to anything in the world. But when in this sentence said "absent god" it is impossible because the mighty god cannot possibly be absent.
34.	We're going under hypnotized by another puppeteer								Irony	Puppeteer is someone who plays dolls to entertain. Certainly, in this sentence didn't talk about someone who plays dolls. Puppeteer actually symbolizes how the powerful people control other people as if the people are just dolls who just do something according to the will of the ruler.
35.	The world just disavows						Synecdoch			The word of the world that appears as a subject does not represent all human beings on earth but only a few groups are

											involved. So this sentence uses the whole word to explain some.
--	--	--	--	--	--	--	--	--	--	--	---

Song Title: **Revolt**

36.	Run by machines and drones		Metaphor								The characteristics of machines and drones that are certainly devoid of hearts and feelings are used to compare the nature of the people who are controlling the people below to realize their goals.
37.	You can make this world what you want		Hyperbole								"This world" is an exaggeration of the area that a group of people wants to master. It is impossible because the reality is no one can control everyone in this world because the earth is so wide to be mastered.

38.	You can hear a distant thunder				Symbol					<p>The literal meaning of "thunder" is the great sound of the sky that usually occurs during rain or storm, but thunder commonly associated with feelings of anger. As a result, in this context thunder is a symbol of anger.</p>
39.	Taste Earth's blood and hunger				Personification					<p>The Earth is a planet that we live in. It's strange if the Earth has blood or feel hungry. But in this sentence, the earth made like a man who has blood and feelings of hunger. This sentence can also be a reminder to humans to take care the environment because in many cases, natural disasters are symbolized Earth's anger to a human race.</p>

40.	We live in a toxic jungle		Metaphor							The toxic jungle is a comparison of the world or the environment around the song's figure. The mysterious people who are greedy of power control the world to become their place to realizing their goals. As a result, the world at this moment is dangerous like "toxic jungle".
41.	They're just machines and drones		Metaphor							The characteristics of machines and drones that are certainly devoid of hearts and feelings are used to compare the nature of the people who are controlling the people below to realize their goals.

Total Figurative Language: 55				

APPENDIX 2

Song Lyric

"Dead Inside" Lyrics

Revere a million prayers

And draw me into your holiness

But there's nothing there

Light only shines from those who share

Unleash a million drones

And confine me then erase me babe

Do you have no soul

It's like it died long ago

Your lips feel warm to the touch

You can bring me back to life

On the outside you're ablaze and alive

But you're dead inside

You're free to touch the sky

Whilst I am crushed and pulverized

Because you need control

Now I'm the one who's letting go

You like to give an inch

Whilst I am giving infinity

But now I've got nothing left

You have no cares and I'm bereft

Your skin feels warm to caress

I see magic in your eyes

On the outside you're ablaze and alive

But you're dead inside!

Feel me now
Hold me please
I need you to see who I am
Open up to me
Stop hiding from me
It's hurting babe
Only you can stop the pain

Don't leave me out in the cold
Don't leave me out to die
I gave you everything
I can't give you anymore
Now I've become just like you

My lips feel warm to the touch
My words seem so alive
My skin is warm to caress
I'll control and hypnotize

You've taught me to lie
Without a trace

And to kill with no remorse
On the outside I'm the greatest guy
Now I'm dead inside!

"Psycho" Lyrics

Love, it will get you nowhere
You're on your own
Lost in the wild
So come to me now
I could use someone like you
Someone who'll kill on my command
And asks no questions

I'm gonna make you
I'm gonna break you
I'm gonna make you
A fucking psycho
A fucking psycho
A fucking psycho
Your ass belongs to me now

[Drill Sergeant (Soldier)]

Are you a human drone?

(Aye, sir!)

Are you a killing machine?

(Aye, sir!)

I'm in control, motherfucker, do you understand?

(Aye, sir!)

Your mind is just a program

And I'm the virus

I'm changing the station

I'll improve your thresholds

I'll turn you into a super drone (super drone)

And you will kill on my command

And I won't be responsible

I'm gonna make you

I'm gonna break you

I'm gonna make you

A fucking psycho

A fucking psycho

A fucking psycho

Your ass belongs to me now

[Drill Sergeant (Soldier)]

Are you a psycho killer? Say "I'm a psycho killer!"

(I am a psycho killer!)

Scream it!

(I am a psycho killer!)

Show me your war face!

(AHHHH!)

You are a pussy! I said show me your war face!

(AHHHH!)

I'm gonna make you

I'm gonna break you

I'm gonna make you

A fucking psycho

A fucking psycho

A fucking psycho

Your ass belongs to me now

[Drill Sergeant (Soldier)]

I will break you, do you understand?

I will break you, do you understand?

I will break you, do you understand?

I will break you, do you understand?

(Aye, sir!)

You fucking psycho

Your ass belongs to me now

Your ass belongs to me now

"Mercy" Lyrics

Help me

I've fallen on the inside

I tried to change the game

I tried to infiltrate

But now I'm losing men in cloaks

Always seem to run the show

Save me from the ghosts and shadows

Before they eat my soul

Mercy, mercy

Show me mercy

From the powers that be

Show me mercy

Can someone rescue me

Absent gods and silent tyranny

We're going under hypnotized

By another puppeteer

And tell me why the men in cloaks

Always have to bring me down

Running from the ghosts and shadows

The world just disavows

Mercy, mercy

Show me mercy

From the powers that be

Show me mercy

Can someone rescue me

Show me mercy

Show me mercy please

Help me
I've fallen on the inside
And all the men in cloaks
Trying to devour my soul

Show me mercy
From the powers that be
Show me mercy
From the gutless and mean
Show me mercy
From the killing machines
Show me mercy
Can someone rescue me

"Revolt" Lyrics

How did we get in so much trouble?
Getting out just seems impossible
Oppression is persisting

I can't fight this brain conditioning
Our Freedom's just a loan
Run by machines and drones
They've got us locked into their sights
Soon they'll control what's left inside
Don't try to hide it
Don't tell me it's not there

You've got strength
You've got soul
You've felt pain
You've felt love
You can grow (you can grow)
You can grow (you can grow)
You can make this world what you want
You can revolt
You can revolt
You can revolt

Can you hear a distant thunder
Taste Earth's blood and hunger

We live in a toxic jungle
Truth is suppressed to mumbles
They'll take away our homes
They're just machines and drones

Don't try to fight it
Don't tell me you can't see

That you've got strength
You've got soul
You've felt pain
You've felt love
You can grow (you can grow)
You can grow (you can grow)
You can make this world what you want
You can revolt
You can revolt
You can revolt

I can feel your pain
I can feel your confusion

I can see you're trapped in a maze
Let's find a way to escape

You've got strength
You've got soul
You're not afraid
You're not a drone
You can grow (you can grow)
You can grow (you can grow)
You can make this world what you want
You can revolt
You can revolt
You can revolt
