

ACKNOWLEDGMENT

To God be the glory! My greatest gratitude goes to one Name above all names, the only Name that brings hope to my soul; Jesus Christ the Lord. I encountered many challenges and difficult times in the work of this thesis, but the Lord has surely listened and has attended to the voice of my prayer. The Lord make a way for me where there seems to be no way; by a roadway in the wilderness, He leads me and makes me see rivers in the desert. For my help comes from the Lord, the maker of heaven and earth (Psalm 121:2 NIV).

I would like to thank my Dad and Mom for their endless support from the very beginning to the end of my college life in here, especially Papa who has been my best friend at home, comforter, and source of strength during the process of this thesis. I am also grateful for my big brother, Stephen and his girlfriend, Kak Samantha. Thank you for helping me in Bridestory Fair which is one of the important parts of this thesis. Thank you for the short holiday to refresh my mind in the middle of this thesis.

I also want to express my deepest thanks to my supervisor, Mrs. Eva Leiliyanti, Ph.D. Thank you Ma'am for your time, patience, advice, shared-knowledge, and kindness. I learned a lot of things that I can't mention one by one in here through this process with you. Stay healthy and happy, Ma'am.

My gratitude also goes to Team Taman Kenari Nusantara; Regina, Rizal, Alwi, and Dion. They are my thesis' inner circle. Even though this is an individual work, but our togetherness makes us into a good teamwork. We feel tired together, lazy together, crazy together, and we don't forget to have fun together. Good luck guys in the next stage of your life!

I would like to thank a good friend of mine, Nadira for always accompanying me wherever I want to relax for a moment when I am in the high level of stress during this thesis. I can't wait to mark our never ending bucket list soon. Give in your best shot and keep your spirits high, Dir!

I am grateful for Tripleks; Ajeng and Tiara. Thank you for coloring my college life with our no-one-will-understand jokes. Thank you for being loyal co-workers for almost five semesters.

Last but not least, to my awesome class; 13SB! If I had to write down all the crazy things we had done in almost four years, then I'll need hundreds of papers and an inexhaustible ink. Thank you for the solidarity. We are the best. I wish success be with you all.

It never been easy, not even once. But absolutely worth it. God bless you all!

Jakarta, August 1st 2017.
