

MOTTO DAN PERSEMBAHAN

*“This path may dazzle your eyes.
But don’t be fooled by the diamonds and gold.
Don’t get drunk on applause,
Sometimes they will use compliments as shackles.
Even when they roll out the red carpet for you, don’t forget.
That it has turned red from soaking up your blood and sweat.”*

*This thesis is dedicated for
Mom and Dad who never give up for their daughter.
And also for myself, thank you for fighting to survive even in silence...*
