

## **ABSTRACT**

**Amirah Dhiya Utomo, 2020. The Cohesive Devices in *One Direction*'s Song Lyrics, Skripsi: Jakarta, English Literature Study Program, Faculty of Languages and Arts, State University of Jakarta.**

This study was made with the aim of analyzing lexical devices and grammatical devices on 5 (five) *One Direction*'s song lyrics. The songs from Made in the A.M and four album, the songs are Infonity, Night Changes, History, I Want to Write You a Song, and the last song Steal My Girl from Four album. In order to conducting this study, the writer uses theory by Halliday and Hasan (1976) about lexical cohesive devices and grammatical cohesive devices. In this study, the writer uses qualitative method, because the data in the form of words, phrases, and sentences. From the analysis, the writer can also anlyse for the meanings contains in the songs.

The result of this study shows that the type of lexical devices which mostly used is repetition, meanwhile grammatical devices which is mostly used is reference. Both devices have different function.

**Keywords:** Song lyric, lexical devices, grammatical devices.
