

## ACKNOWLEDGEMENT

Assalamualaikum wr.wb, in the name of Allah, the most gracious and the most merciful praised to Allah SWT, the Lord of all worlds. Prayers and peace be upon our Prophet, Muhammad SAW and Allah's Messengers. All praises to Allah and His blessing who has given me strength and opportunities to accomplish the thesis entitled *The Transformation of Justin Bieber in Music Magazine Covers: Billboard and Rolling Stone*.

In the process of writing this thesis, I got the motivation and guidance from some people who made this thesis went successfully. Furthermore, I would like to give gratitude and appreciation to:

1. Mama and Bapak, thank you so much for the countless prayers and supports as the source of my success in every way I step. Thank you for believing in me as I am trying to accomplish the work that I should be done. Thank you to my sister, Mbatika, for your support and prayers toward me.
2. Ma'am Nurbaity, M.Hum as my thesis advisor. Thank you for the invaluable guidance, suggestion, and feedback in helping me to complete this thesis. It would not be done if it was not you. Thank you for the endless support you have given to me during the process of writing this thesis.
3. Erly Berlianda, my 24/7 friend whom I lean on to and I always count on. Thank you for always pushing me to be better, listening to my lamentation in everything, reminding me what I am capable of, and being my one call away through ups and downs. I am glad that we are growing up together here in J-Town and had each other's back.
4. Fira and Wilda, the source of my laughter whom I am grateful for as my friends. Thank you for always reminding my worth and being there when I needed pieces of advice in everything.

5. Sabilla, my one and only note taker whom I always grateful for. Thank you for sticking up with me since day one in university, supporting me, and believing in me what I am capable of.
6. Buls duls gang (Aul, Jihan, Kholis, Fira, Abrar, and Hanafi), thank you for being the splash of colors of my life with your dysfunctional acts.
7. Kepompong (Aulia, Fira, Kholis, Sabilla, Olly), my uni fellas. Thank you so much for being my friends since day one and sticking up with me for these past four years. I am so glad that we have gotten to experience and share our lives on campus and know each other.
8. Justin Bieber, the source of my happiness and strength. Thank you for being alive, spreading love and positivity in my life, and filling my days for almost 12 years. Words can't even describe how thankful I am for you.
