ABSTRACT

JESSICA PETRONELLA BAIIN, 2020. *Steps to Learn Rise Up And Call Her Blessed Song in Children's Choir Group at the Reformed Evangelical Church of Indonesia*. Department of Music Arts, Faculty of Language and Arts, Jakarta State University.

The purpose of this study was to determine the steps for learning the song Rise Up and Call Her Blessed in the children's choir group in terms of objectives, materials, methods and media in the Indonesian Evangelical Reformed Church.

The research method used was descriptive qualitative involving data collection through observation, interviews and literature study. Data analysis was performed by making notes, interviewing transcripts, and grouping data. Triangulation is done by looking at and comparing the results of the analysis of observations, interviews and literature studies.

The results of this study indicate that the steps of learning the song Rise Up and Call Her Blessed by the teacher are quite helpful for students in mastering the song. Through listening to songs, following the rhythm of the song by clapping, reading rhythms and melodies, singing the song partially, and singing in small groups, the teacher and the students involved actively in learning activities, so that they can sing the song Rise Up and Call Her Blessed as a choir.
