## **Observation 1**

**Date : May 9th, 2011**

**Time: 13.00 – 14. 30**

**Place: Class 8. 2 SMP Negeri 71 Jakarta**

### **Objective:**

1. Students get used to share their ideas to other friends among the group.
2. Students manage their own learning materials by deciding the texts used during the learning process based on their interest.
3. Students read the text carefully to understand the structure and the content of the texts.

### **Activities:**

1. Students form and name a group used during the learning process.
2. Students choose 3 of 15 texts given by the teacher.
3. Students rewrite the texts under the teacher guideline.

### **What do the students do?**

#### **Activity 1**

- Students form their permanent group during the learning process which consists of 5 students. This is the first time the students form a group with other students from different classes. The observer may see that some students are still shy with their group members. But, when the teacher asks them to name the group, the students start giving the ideas.
- Students discuss with the group member to name the group based on their preference. The ideas of group name beforehand come from their favorite movies, idols, etc. Some students have different ideas so that they decide to vote the idea. However, it can be seen from the beginning of the discussion that there are only two students (S1 & S2) who are actively manage the group and ask for their friends' ideas as the others only share the ideas they have but put the decision on them, they just follow the

decision. Finally, the group has decided their group name, Phoenix which is derived from one of the character in their favorite movie Harry Potter.

- Students write their group name on the folder given by the teacher as the place for keeping their works during the learning process.

Group 1: GGMU ( Go Go Manchester United)

Group 2: Garfield

Group 3: Revolution

Group 4: BFF (Best Friends Forever)

Group 5: Ronfausisda

Group 6: Phoenix

## **Activity 2**

- Students preview about 15 descriptive texts given by the teacher to decide three texts they want to learn based on their preference and group decision. As this is the first reading activities during the program, students are provided with short descriptive texts. The titles of the texts given cover the pets, favorite room or place, and idols.
- Students discuss among the group member about the texts will be chosen. Some groups depend on the capable peers in their group to choose the texts while they just give the idea to choose the shortest ones. However, the observer also finds there are groups who really discuss each other to decide the texts. They ask each other's agreement toward the texts. If there are different opinions, they will hold voting.
- Students decide and take the texts chosen. Each student has the same three texts they have chosen.

## **Activity 3**

- Students rewrite the texts gradually in order to comprehend the content and the structure of the descriptive texts under the teacher guidance. The students write the texts one by one while listening to the teacher guidance. In the first text rewritten, the students are reminded to pay attention to the mechanics of the writing, such as the capital letters in the title and the beginning of the sentences and spelling.
- Most of the students do not do well in the first writing so that they repeat their writing for two or three times although the text is not long enough. If the students have

finished their rewriting, they may ask their friends' or teacher's feedback. There is one group who really pay attention to the others' writing, they remind and check each other's writing, but some students still work individually and do not pay much attention to others' work.

- After they finished with the first text, they move to the second text. In this time, the students are reminded to pay attention to the new vocabularies they may find in the text. The students start write properly with the second text, but the problem arise in the sense of the text content as they are not familiar with most of the vocabularies in the text. The presence of peers is really helpful as they can ask each other or work together to find the meaning of the difficult words in the dictionaries. If they still cannot find the words, they come to the teacher.
- Most of the students cannot finish rewriting the last texts, so they will continue it in the next meeting. Their works are put in the group folder so that it will not be lost.

### **What do the Students do to collaborate with peers?**

- Students monitor their own writing and their friends' writing in the group by reminding them with the mechanics.
- Students discuss the difficult words together and find them in the dictionaries.
- Students share their ideas toward the texts or hold voting if there is too much different ideas.
- Students remind their member about the mechanics and the spelling.
- Students exchanger their understanding about the text together with the group members.

### **What does the teacher do to give the guidance?**

- Students are guided to pay attention to the elements of the text. Ex: the title, the identification and the characteristics of the text.
- Students are monitored while rewriting the text about the mechanic and the content of the text.
- The warning: space, capital letter, spelling, etc.
- The metacognitive strategies also given by the teacher, such as use the dictionary, ask friend or teacher if they find difficulty, not be afraid to make mistake, and be confident with them.

## **Observation 2**

**Date** : May 12th, 2011  
**Time** : 13.00 – 14.30  
**Place** : Class 8. 2 SMP 71 Jakarta  
**Observed Group** : Phoenix

### **Objectives:**

Students understand the elements of descriptive text.

### **Activities:**

Students continue rewriting the descriptive text from the previous meeting while being introduced to the elements of the descriptive texts.

### **What do the students do?**

- Before the students continue rewriting the text chosen in the previous meeting, they pay attention to the teacher recalling about the previous meeting. For examples, What text do you write in the last meeting? What texts did they chose? Etc.
- The students elicit their experience with the descriptive text with the teacher. Then, they are introduced for further about the elements of the genre by the teacher through question and answer. However, to make it clear, the teacher writes the gist of the discussion and the example on the whiteboard.
- During this process, one of the students (S1) was reading the text while listening to the teacher. In the middle of the explanation, S1 asked about something strange in the text he read. Without hesitation, he directly criticized the differentiation between the title of the text and the content of the paragraph. When the teacher gave example about the structure of a descriptive text, S2 & S3 looked the same text in their folder. S4 & S5 just focused on listening to the teacher and S1 still read his own text.
- In rewriting the text, three students in the group looked very excited to do it. But, while the others rewriting, S1 had not started to rewrite. This student is considered has good English competency, but the problem might relate to the student's opinion toward the activity, whether it is too slow or boring for him. Another problem of this student as the researcher observes, he has lack ability to work together in a group as he often perform something individually than asking for each other feedback and

opinion. This is happened when the student doing rewriting in the 1st meeting. He just wrote the texts individually without contributing to the group while the other fellow member asks others' feedback and correction.

### **What do the students do to collaborate with their peers?**

- The collaboration mostly showed when the students rewrote the text. S2 & S4 discussed about something when they started to rewrite the text. After finishing the text, they discussed together to check each other's work.
- In this meeting, S1 & S3 did not give a lot of contribution in the peer collaboration. S1 focused on his work. S3 focused on understanding the text after rewriting. He reread his work and looked up the dictionary.

### **How does the teacher give guidance?**

- Students are given more or less the same guidance as in the previous meeting, but they are asked to pay attention to the elements of the descriptive text as being described in the beginning of the meeting.
- Students are reminded with metacognitive strategies while doing the task:
  - Use dictionary
  - Collaborate with partner
  - Ask the teacher

### **How do the students respond to the teacher guidance?**

- Students are not reluctant in asking for the teacher guidance while doing the task. They may ask about the meaning of difficult words, the mechanics, etc.
- The problem mostly occurred in this meeting was related to the text. First, there was problem with the inconsistency between the title and the content of the text.
- Second, there was mistype word. The students were not reluctant to ask about these matters. They called the teacher and directly asked the teacher about the problem. The group asked, "Miss, what is the meaning of what?", "Miss, is this with or what?". So, it can be seen that the students firstly discussed with the members of the group about this matter and clarified the result with the teacher guidance.

Secondly, the text will be read again by also eliciting the difficult words. The students will find the meaning of the words together and discuss it with friends and the teacher. Finally, the text will be read as a whole paragraph without giving questions.

- Students, then, rewrite again the text by using their own words. The order of the information may not be the same with the original text as long as they can write the right information as mentioned in the text.

T: ok

S: punya saya gimana miss?

T: masih salah

S: Kalau saya miss

T: Ok, kasih tiga baris setelah title ya

**I: Interviewer**

**S: Student 3**

I: Miss mau tanya-tanya nih tentang English Club. Menurut kamu, gimana sih kegiatan pembelajaran di English Club?

S: Menurut saya, kegiatan di English Club sih bagus tapi kurang sayangnya. Kegiatannya masih agak-agak kayak main-main gitu. Agak sedikit serius gitu.

I: Ooo.. sedikit serius. Kurang mainnya?

S: He eh. Jadi anak-anak kan pada kabur karena males. Kegiatannya sih sebenarnya bagus miss. Gitu aja miss.

I: Terus, pendapat kamu tentang teks yang digunakan dalam kegiatan pembelajaran gimana sih?

S: Beragam tapi agak sulit.

I: Kalo yang sulit merasa tertantang gak untuk ngerti?

S: Tertantang.

I: Pernah coba?

S: Pernah. Ada tapi saya lupa. Saya cari tau dikamus, susah. Terus saya tanya missnya, dia bilang gak tau juga. Pulangnya saya catet dibuku terus saya cari dirumah. Dapet tuh. Saya tertantang dah tuh.

I: Terus, berhasil gak tuh ngerti?

S: Berhasil.

I: Bagus-bagus. Terus, setelah kegiatan pembelajaran di English Club, bantu kamu untuk memahami teks deskripsi gak? Bisa sekarang mengidentifikasi teks deskripsi? Tentang apa?

S: Bisa.

I: Ok. Apakah guru membimbing kamu selama kegiatan pembelajaran?

S: Pertama kan kalo bahasa Inggris kan pasti si siswa dibimbing, kalo gak dibimbing gak bisa kan.

I: Gimana sih cara guru membimbing kamu?

S: Pertama, memberikan petunjuk dalam bahasa Inggris. Kedua, tentang kaya permainan juga. Jadi, santai tapi serius. Jadi, bisa bahasa Inggris.

I: Tentang belajar kelompok nih. Menurut Ada gimana tentang belajar kelompok?

S: Wah.. kalo belajar kelompok tuh jadi kayak main-main. Jadi susah. Kan ada yang serius ada yang main-main. Jadi, yang main-main merusak konsentrasi.

- I: Nah, kalo dikelompok kamu ada yang main-main terus, apa yang kamu lakukan?
- S: Dinasehatin. Kalo gak bisa, nah itu masalahna miss. Pernah tuh kaya Dafa. "Fa, diem Fa. Berisik. Orang pada serius semua." Yang lain kan pada serius, jadi saya nasehati aja.
- I: Jadi, kamu sendiri merasakan kerja kelompok gimana? Apa efektif apa tidak, apa kurang, apa gimana?
- S: Kurang.
- I: Harusnya agar belajar kelompok efektif tuh gimana sih?
- S: Menurut saya, belajar kelompok supaya efektif tuh, santay tapi serius dan berkomitmen. Misalnya, guru harus memperhatikan tiap kelompok. Kalo gurunya liat disatu kelompok, yang lainnya jadi pada main-main.
- I: Tapi kalo menurut kamu sendiri, belajar kelompok itu bermanfaat atau tidak?
- S: Bermanfaat miss.
- I: Bermanfaatnya gimana?
- S: Belajar kelompok bisa sambil main-main. Bisa lebih gampang menghafalnya, lebih gampang masuk keotak. Kalo belajar serius banget gak bisa masuk ke otak. Kalo kita gak ngerti, bisa tanya temen.
- I: Ok. Kontribusi kamu dikelompok tuh seperti apa sih?
- S: Saya Cuma mengingatkan doank miss.
- I: Kalo dalam pengambilan keputusan kamu gimana? Misalnya, "ayodeh kita pilih tiga teks."
- S: Pastinya kalo pilih teks tuh harus dapet persetujuan juga dari anak-anak. Kalo gak mau juga percuma juga. Jadi salah-salahan. Asal-asalan deh.
- I: Jadi, gimana cara kamu dan kelompok kamu memilih teks saat itu?
- S: Tanya pendapat masing-masing dulu. Apa ini setuju apa enggak. Kalo setuju diambil, kalo enggak setuju, ya udah. Jadi, kalo udah dapet teks yang diinginkan, jadi gampang ngafalnya.
- I: Menurut kamu, apa sih manfaat dari menulis teks deskripsi kamu sendiri?
- S: Mengeluarkan inspirasi atau imajinasi tentang idola. Jadi, saya bisa mengeluarkan kreatifitas saya dari menulis deskripsi tersebut.
- I: Gimana perasaan kamu saat teksnya dipajang?
- S: Seneng aja seneng. Jadi, anak-anak bisa tau kreatifitas saya jadi bangga aja.
- I: Ok. Terus, cara kamu untuk memahami teks bacaan gimana?
- S: Memahaminya pertama, kalo saya gak ngerti saya cari kamus. Kalo udah, saya tulis dan saya kasih garis bawah.
- I: Kesulitan apa aja sih yang kamu temui saat memahami teks itu?

- S: Kalimat dan kata-katanya miss. Kalimanya tuh yang gak ngerti banyak.
- I: Kalo udah sulit begitu gimana tuh?
- S: Cari dikamus dan tanya temen.
- I: kalo ada temen yang mengalami kesulitan, kamu gimana?
- S: Kalo gak ada dikamus, tanya miss-missnya.
- I: Kamu sendiri membantu temen?
- S: Enggak. Kadang-kadang.
- I: Gimana cara kamu mengetahui, “oh, tulisan aku ada yang salah”?
- S: Ada yang mengingatkan. Temen-temen saya kan dikelompok ada yang mengingatkan. “Coba periksa” Pas diperiksa ada yang salah.
- I: Terus setelah mengetahui kesalahan apa yang kamu lakukan?
- S: Memperbaiki dan dipahami lagi.
- I: Ok. Selama pembelajaran di English Club, gimana caranya supaya kamu percaya diri dalam menulis teks?

- I: Apa sih yang membuat kamu yakin saat mengerjakan tugas kamu bisa mengerjakannya? “Ah, aku pasti bisa nih ngerjain ini.”
- S: Saya kan pengen belajar bahasa Inggris, makanya kan dari semester satu saya gabung di English Club. Percuma juga kalo saya gak bisa bahasa Inggris. Jadi, percaya diri aja.
- I: Terus, pertimbangan Kamu dalam memilih teks yang digunakan?
- S: Pertimbangannya yang pertama, dari yang paling gampang. Terus, sama yang menantang aja.
- I: Terakhir, gimana sih kemampuan membaca dan menulis kamu setelah mengikuti kegiatan English Club?

**I: Interviewer                    S: Student 5**

- S: Iya, Miss.
- I: OK, bagaimana sih pendapatmu tentang kegiatan pembelajaran bahasa Inggris yang diberikan di English Club?
- S: Enak, bisa belajar teks deskripsi, bisa lebih mandiri, percaya diri, dsb.
- I: Percaya diri dalam hal apa?
- S: Percaya diri dalam membaca, menulis dan membuat teks deskripsi.
- I: Nah, selama kegiatan di English Club kan kita baca banyak teks ya?
- S: Iya
- I: Pendapatmu tentang teks yang digunakan bagaimana?
- S: Agak sulit.
- I: Lalu apa yang kamu lakukan kalau menemukan kesulitan dalam teks?
- S: Kalau saya merasa sulit, saya bertanya sama miss dan teman sekelompok.
- I: Menurutmu, kegiatan membaca yang diberikan membantu kamu dalam memahami teks deskripsi enggak?
- S: Iya, saya lebiih memahami teks deskripsi.
- I: Bagaimana contohnya?
- S: Iya, saya lebiih memahami teks deskripsi.
- I: Nah, apakah guru membimbingmu selama kegiatan pembelajaran?
- S: Iya
- I: Bagaimana caranya?
- S: Kalau saya kesulitan, saya bertanya ke Miss lalu diberitahu, kalau ada yang salah diperbaiki dan diingatkan.
- I: Pendapatmu tentang bimbingan yang diberikan guru bagaimana?
- S: Lebih bisa mengerti dari pada sendiri karena kesulitannya tidak dipikirkan sendiri dan bisa bertukar pendapat juga.

- I: Selama di english Club kan kamu bekerja dalam kelompok nih. Menurutmu, apakah belajar berkelompok lebih effective dari pada belajar secara individu?
- S: Iya. Bisa lebih mengerti dan berteman, merasa lebih percaya diri juga
- I: Apa sih manfaat belajar kelompok bagi kamu?
- S: Bisa lebih mengerti pelajaran dan berteman.
- I: partisipasi kamu dalam kelompok bagaimana? Contohnya, Apakah kamu yang lebih sering memberikan koreksi ke pada yang lain atau bagaimana?
- S: Kalau ada yang salah saya ingatkan dan lebih memberikan ide-ide.
- I: Manfaat apa sih yang kamu dapat dari kegiatan penulisan teks deskripsi yang kamu buat sendiri?
- S: Jadi bisa mengerti bahas inggris, bisa membuat teks deskripsi, bisa memberitahu tentang orang, benda dll.

**Date : June 10th, 2011**

**I: Interviewer**

**S: Student 2**

I: Ok.. Miss mau tanya-tanya tentang pendapat kamu selama melakukan English Club ini. Pertama, gimana sih pendapat kamu tentang kegiatan pembelajaran di English Club?

S: Enak aja miss.

I: Enaknya kenapa tuh?

S: Kalo dikelas kan biasanya kaku, ngebosenin, enggak gampang ngerti. Kalo di English Club kan rame-rame, belajarnya kelompokan. Trus, kegiatannya seru-seru miss.

I: Seru-seru? Jadinya seneng?

S: Iyah. Gampang masuk ke otak.

I: Kedua, kan kemarin kan kamu banyak baca teks kan. Nah, menurut kamu teks-teks yang digunakan selama kegiatan pembelajaran tuh bagaimana?

S: Teksnya mudah-mudah. Gak terlalu berat. Kalo dikelas kan langsung bacaan yang banyak tuh, banyak teks. Tapi, kalo di English Club kan bacanya satu-satu. Enak belajarnya, rame-rame, dikelompokin. Jadi, kalo gak ngerti bisa nanya ke temen sebelah.

I: Jadi, teksnya bisa dimengerti?

S: He eh. Gampang.

I: Terus, menurut kamu, kegiatan pembelajaran di English Club membantu kamu memahami teks deskriptif gak?

S: Banget.

I: Kamu tau tujuan dari teks deskripsi apa?

S: Itu.. Untuk mendeskripsikan atau mengidentifikasi sesuatu. Dan, pokoknya membuat kita lebih memahami sesuatu deh.

I: Trus, struktur teksnya masih inget gak?

S: Masih.

I: Apa?

S: Identification sama description.

I: Ok. Terus, inget gak penggunaan bahasanya? Misalnya, tensesnya?

S: Masih. Misalnya, huruf kapitalnya. Terus, kalo ada judulnya dilongkap.

I: Nah, menurut kamu guru membimbing kamu selama pelajaran enggak?

- S: Banget. Kalo gak ngerti tuh, misalnya ini gimana nulisnya? Eh, missnya langsung a da disamping. Kalo dikelaskan gurunya didepana mulu. Gak pernah keliling-keliling.
- I: Terus, menurut kamu, bimbingan yang diberikan guru selama kegiatan pembelajaran tuh gimana?
- S: Membantu . Kalo gak ngerti, ini kayak gimana miss? Misalnya kayak gitu. Trus, langsung dikasih tau petunjuknya kayak gimana.
- I: Menurut kamu, belajar secara kelompok lebih efektif daripada belajar sendiri apa enggak?
- S: iyah.
- I: Kenapa tuh?
- S: Soalnya rame-rame. Kalo belajar sendiri dirumah ga ada yang nemenin. Bosen. Kadang-kadang saya bisa ketiduran.
- I: kalo belajar kelompok gimana?
- S: Enak miss. Kan bisa nanya, bisa becanda-becanda kalo udah selesai. Bisa liat punya teman. Kalo disekolah mana ada. Saya duduknya paling pojok. Malah duduknya ga ada temennya lagi.
- I: Emang kalo disekolah gak pernah kerja kelompok?
- S: Pernah sih. Kadang-kadang. Itu juga kaga pada mau kerja.
- I: Emang kalo di English Club gimana? Pada mau kerja gak?
- S: Pada mau. Pada mau bertanggung jawab sendiri-sendiri. Kadang-kadang dibantuin.
- I: Menurut kamu, manfaat belajar kelompok apa?
- S: Belajarnya jadi gampang masuk ke otak. Trus, kreatifitas dan inovasi kita bisa tertuang semua bareng-bareng sama temen-temen kan. Trus, yang paling penting nih miss, gak bikin ngantuk miss.
- I: Apa sih kontribusi kamu selama belajar kelompok?
- S: Kayak saran. Hal-hal yang saya tau. Saran-saran gitu. Kalo nulis init uh harusnya kayak gimana.
- I: Ooo. Jadi, saran-saran. Kalo lagi bikin teks, apa sih kontribusi kamu?
- S: Saya paling bisa nyari kata dalam kamus. Misalnya ada yang nanya nih, bahasa inggrisnya ini apa sih? Trus, saya kasih tau, itu tuh itu tuh. Temen kan kadang-kadang kurang ngerti. Kalo disuruh bikin teks sendiri kan pada gelagapan kemarin.
- I: Ok. Manfaat yang kamu peroleh dari bikin teks deskriptif apa?
- S: Saya jadi lebih ngerti teks deskriptif itu apa. Saya bisa nentuin tujuan- tujuannya apa. Saya jadi bisa bikin teks deskriptif saya sendiri. Saya udah punya wall magazine dikamar saya sendiri.

- I: Wih..keren. Nah, pendapat kamu tentang dipublikasikannya karya kamu dimajalah dinding diarea sekolah tuh apa
- S: Jadi, semua anak-anak, gak cuma anak EC doank yang bisa ngeliat kan wall magazinenya. Jadi, pada tertarik untuk masuk EC.
- I: Oh.. gitu. Emang ada yang bilang kaya gitu?
- S: "Bagus yaah. Pengen buat ini deh."
- I: Trus, perasaan kamu saat majalah dinding yang kamu buat bakal ditempel gimana?
- S: Seneng. Bangga. Enak aja jadi anak EC.
- I: Nah, kemarin kan awal-awal kamu diberikan banyak teks. GImana sih cara-cara kamu memilih teks yang akan digunakan dikegiatan pembelajaran?
- S: Tergantung. Temen-temen maunya apa. Nanti yang paling banyak suara dipilih.
- I: Udah, gitu aja? Ada alasan lain?
- S: Paling saya lihat teksnya. Susunan katanya gampang apa susah.
- I: Cara kamu untuk bisa memahami teks yang diberikan gimana?
- S: Baca. Trus, saya garisin yang ada kata-kata susahnya. Baru dicari artinya. Saya tulis dibuku tengah saya. Baru deh saya bisa ngerti artinya.
- I: Apa aja kesulitan yang kamu temukan dalam memahami isi teks yang diberikan?
- S: Misalnya, kata-kata susah yang gak pernah ada. Misalnya itu, kata-kata yang pake tambahan kata yang -es sama -ing. Kadang-kadang mana nih dikamus enggak ada??? Akhirnya nanya sama missnya. Missnya kasih tau, cari kata dasarnya dulu baru cari tambahannya.
- I: Terus, bagaimana cara kamu membantu teman yang mengalami kesulitan dalam mengerjakan tugas?
- S: Bantuinya kadang-kadang saat mereka gak tau cara ngerjainnya gimana, saya tunjukin, saya kasih pinjem punya saya, yang penting saya udah selesai. Kalo sayanya gak tau pasti saya juga nanya miss. Jadi saling membantu. Jadi pinternya gak sendiri-sendiri. Pinter buat sama-sama. Terus, pernah rondang kehilangan kertas. Saya bantu pilihin kertas yang masih bagus yang bisa dipake. Jadi, saling membantu.
- I: Lalu, bagaimana kamu mengetahui kesalahan yang ada pada tulisan kamu?
- S: Tuker-tukeran sama temen. Nanti, kalo ada yang salah digaris bawahi. Jadi, saya sama temen-temen saya tuh tukeran kertas. "tolong periksain donk kalo ada yang salah". Terus, tanya missnya. "Miss, ini salah semua apa apa yang Cuma digaris-garisin doank?" Kalo Cuma yang digaris-garisin doank, ya saya cari dikamus lagi.
- I: Ok. Apa yang kamu lakukan setelah mengetahui adanya kesalahan pada tulisan kamu?
- S: Kadang-kadang saya ganti kertas kalo udah terlalu banyak coretan. Ya udah saya tulis ulang lagi. Biar bersih.
- I: Nah, miss mau tanya dulu nih. Kamu udah cukup percaya diri belum dalam membuat teks deskriptif? Kalo disuruh sama guru nanti, "ayo kalian harus membuat teks descriptif ."

- S: Udah.
- I: Nah, apa yang kamu lakukan selama kegiatan pembelajaran di EC untuk meningkatkan kepercayaan diri kamu dalam menulis teks deskripsi? Dulu kamu sepercaya diri ini enggak?
- S: Enggah. Dulu mah takut kalo disuruh kedepan tuh. "Ah, jangan saya bu."
- I: Lalu, gimana cara kamu untuk meningkatkan kepercayaan diri kamu untuk menulis?
- S: Saya banyak coba-coba dirumah. Belajar disini. Jadinya kan bisa lebih tahu sekarang. Jadinya gak takut-takut lagi kalo harus maju kedepan bahasa Inggris.
- I: Terus, sekarang kalo disuruh bikin teks deskriptif, kamu yakin gak bisa mengerjakannya?
- S: Yakin.
- I: Apa yang membuat kamu yakin?
- S: Karena saya sudah banyak latihan, sudah banyak belajar.
- I: Saat kamu belajar di English Club, yang bikin kamu percaya diri apa?
- S: Ada miss, terus ada kamus, ada temen-temen yang bantuin.
- I: Sekarang, sebutkan alasan kamu memilih teks yang akan digunakan dalam kegiatan pembelajaran.
- S: Teks yang kata-katanya gampang, voting sama temen-temen. Dan yang paling penting tuh yang teksnya sedikit.
- I: Woo.. yang paling sedikit ya. Dasar. Kenapa gak yang panjang? Kan menantang tuh.
- S: Saya pengennya yang panjang tapi temen-temennya gak pada mau. "Udah yang dikit aje biar gak susah-susah banget."
- I: Tapi sebenarnya kamu pengen yang panjang?
- S: Ya gak panjang-panjang banget sih. Yang sedeng lah. Yang 4 baris.
- I: Ok. Last question. Sekarang miss mau kamu menilai kemampuan menulis kamu sendiri setelah mengikuti EC. Bagaimana kemampuan membaca dan menulis kamu setelah mengikuti EC?
- S: Kalo buat nulis, saya tahu kata-kata dasar gimana harus dicari misalnya harus dipilihnya kayak gimana. Misalnya kata dasarnya dari sweep jadi sweeping atau ditambahin -es, -as, apa -s doank. Saya jadi tau kapan makenya, jadi gampang, jadi lebih enak. Kalo untuk membaca, saya lebih lancar bacanya. Kalo dulu kan tersendat-sendat. Sekarang bisa.
- I: Jadi, kesimpulannya kemampuan menulis dan membaca kamu jadi berkembang yah? Jadi meningkat, gitu?
- S: iya miss.
- I: Oke deh. Terima kasih yah.

T: Ok. Udah siap pensil dan pulpennya? Well. Semuanya dah siap. Papers? Pencil? Pulpen? Now, I want you to focus on the title. Now, look at the text and read the title. Ok. Then, now after it, start to write it. Ok, now all write the title of the text.  
S: Trus apa lagi?  
T: Just wait for my instruction.  
S3: Pake bahasa inggris?

S4: Pake nama gak?  
T: Kalian kan tadi sudah baca titlenya kan? Otomatis kalian harus apa?  
S2 &  
S4: Harus hapal?  
T: Harus hapal apa?  
S4: Hapal apa?  
T: Artinya kan? Kalian harus ngerti dulu donk yah artinya. Nah, baru tulis titlenya.  
S5: Miss, pake pulpen apa pensil?  
T: It's ok. Gak papa pake apa aja.  
S4: Eh, ditulis semuanya ini Ta?  
T: OK. Kalian copy the text. Rewrite the text. Kalian bisa bantu saya yah. Masing-masing anggota kelompok coba dicek. Saling mengingatkan jika ada kesalahan. Jadi itulah, cara kerja group worknya ada disitu. Ayo saling ngingetin. Coba dicek temennya sudah menulis title atau belum.  
S4: Udah. Udah. Udah. Belum.  
T: Jadi, disini kita saling mengingatkan.  
S4: udah belum?  
S5: belum.  
T: Now, stop writing. Kalo sudah semua, sekarang kita lanjutkan menulis teksnya. Kita tulis teksnya dengan tulisan yang bagus dengan punctuation, you know?  
S4: enggak.  
T: titik koma itu diperhatikan. Kemudian, saying, dengarkan saya. Listen to me. Sambil kalian nulis, otomatis kan kalian baca. Ya gak? Sambil difikirkan. Apa ya artinya? Kemudian, ooo begini yah cara nulisnya? Gitu loh. Yah. Nah, coba sekarang ditulis.  
S4: Ooo begini cara nulisnya. Apa maksudnya?

S4: Dani. Ini kan Dani.  
T: Titlenya mana?  
S4: Dikotakin miss? Dikotakin.

Coba semuanya liat sini. Ini bener gak?  
S4: Salah.  
T: Apa yang salah?  
S3: Titlenya diatas.  
T: Ini bener apa salah?  
S4: Bener. Bener.  
T: Yang ini bener apa salah?  
Ss: Gak tau.  
S2: Gak ada title.  
T: Ok. Pertama gak ada title. Kedua apa?  
S4: Kedua, gak tau.  
T: Coba dibandingkan sama ini.  
S4: Aku jadi bingung miss.  
T: Sama kan sama ini? Sama gak? Jadi, dalam menulis paragraf, judul harus seperti ini. Harus ada ditengah. Coba liat yang lain  
S4: Salah salah miss.  
S5: Aku bener.  
S3: Enggak enggak.  
T: oke. Sekarang liat sini. Bener gak?  
S2: Salah.  
T: Salahnya dimana?

Ss: Gak ada paragrafnya.  
T: Iya.  
S5: Kalo ini bener gak miss?  
T: Yup.  
T: Ok. Jadi inget yah. Kalian disini group work. Ok. Ini kan per kelompok jadi saling mengingatkan kalo ada teman yang salah kamu dulu ngecek sendiri.  
S2: Kalo udah diapain?  
S4: Pake pulpen yuk?  
S5: Pake pulpen yuk?  
S4: Pake pulpen yuk apus yuk.  
S3: Nita ada tipe ex gak?  
S2: Ga ada.  
S5: Eh, apusan donk.  
T: Coba cek punya temennya. Bener apa enggak.  
S2: udah bener miss. Hehehe  
T: Cari teksnya yang panjangan dikit kek.  
S2: Ah, males ah.  
S4: Ah. Okelah.  
T: Siapa yang milih?  
S5: Dia yang milih miss.  
T: Lalu, kata-katanya yang susah.  
S4: Saya milih tadi miss yang Our Crabby Pet. Tadi malah mili Jeremy.  
S5: Siapa yang milih. Dia.  
T: Terus, kenapa pilih Dani?  
S3: Ah, Tanya yang ini.  
T: Kenapa akhirnya kalian milih yang ini?  
S2: Dia yang milih tuh.  
T: Jadi bukan kesepakatan bersama nih? Mana teamworknya?  
Yang ini kan pendek nih. Coba Nita baca. Adam artinya.  
S3: Artinya?  
S2: Dani is a fat boy with chubby cheeks. He is only 155 cm tall. He has short straight hair and a flat nose.  
T: Artinya.  
S3: Dani adalah bocah laki-laki yang gendut. Ia mempunya pipi yang tembam. Dia mempunyai badan 155 cm.  
S2: Tinggi.  
S4: Salah. Tinggi.  
S3: Oh. Tinggi 155 cm. Dan dia mempunyai rambut yang pendek dan lurus dan hidungnya pesek.  
T: Apa gunanya groupwork?  
S3: Grup work. Untuk kerja sama. Hehe. Apa ya?  
T: Coba cari teks yang menurut kalian Challenging bgt.  
S3&  
S4: Apaan?  
T: Yang menurut paling Challenging. Yang kalo sendiri aja gak tau.  
S4: Oh, Jeremy miss.  
S3: Oh, ga tau miss. Jeremy ancur.  
T: Tulis Jeremy.  
S5: Semuanya?  
S3: udah miss.  
T: Masa?  
T: Jeremy. Ini yang paling susah kan?  
T: Yang Dani mana?  
S4: Udah. Udah semua.  
S2: Yang ini gak ditulis kan?

T: Tulis.  
S3: oh, ditulis juga.  
T: Tulis sourcenyaa. Source itu apa sih?  
S2: Sumber.  
S3: Sumber miss.  
T: Iya. Jadi, kalo kita nulis, kita ngamil dari suatu sumber kita harus menulis dari mana sumber itu berasal.  
S4: Sour-ce ya? Ya Allah susah banget.  
S2: Ya udah miss.  
T: Ok. Lanjut Jeremy.  
S4: Yah, jerami. Saya gak tau artinya miss.  
S2: Satu lagi mana Jeremynya?  
T: Udah? Nah coba. Kalian sudah belajar tenses kan? Tenses apa kira-kira yang ada di teks kalian? Coba diteliti tensesnya apa.  
S5: longkap berapa baris?  
T: kira-kira tenses yang ada kebanyakan disini apa? Tau gak sayang?  
S2: Tenses?  
T: Iyah. Kira-kira tensesnya apa tuh? Udah belajar kan tenses? Kalo misalkan *she is*. Kalo gitu-gitu. Tensesnya apa?  
S2: simple present?  
T: Simple present? Present tense. Iya.  
T: Ini ganti?  
Ss: Ganti miss.  
T: Ok. It's too short yah.  
S2: Yaah.. ininya gak muat. Gimana nih?  
T: Oke. Kalo bisa yah, miss minta kalo kalian salah, jangan dihapus, jangan ditipe ex. Dicoret aja. Ganti lagi. Gpp. It's Ok.  
S3: Tadi kan ada dua. Ini gak papa?  
T: Enggak. Misalnya, kalian lagi nulis, ada kata yang salah. Misalnya, tadi is jadi are. Nah, arenanya dicoret ganti sama is. Giru aja. Jadi ga usah pake penghapus ga usah pake tipe ex atau yang lainnya. Jadi mendingan dicoret aja. Jadi nanti bisa ketauan kalian dulu salahnya dimana. Gimana itu? Udah selesai? Big boy, who is your name?  
S4: My name is Syaiful.  
T: Nah, jangan lupa cek punya teman.  
T: Sudah?  
S5: belum miss.  
S4: Gak tau artinya assembling miss.  
T: Punya kamus gak? Ayo cari dikamus dulu yang gak tau artinya.  
S5: oiya.  
S5: artinya dari dani yah?  
S3: Jangan. Jeremy yang gak tau artinya.  
S5: Kok Jeremy?  
S2: Kan Jeremy yang susah.

### **MEETING 3**

Day/Date : Thursday, May 19th, 2011

Time : 13. 00 – 14. 30 WIB

T: Good afternoon, students!

Ss: Good afternoon, Miss!

T: How are you today?

Ss: I'm fine.

T: Kemarin masih ingat belajar apa?

Ss: Nulis-nulis di folio

T: Berapa teks yang kalian pilih kemarin?

Ss: Tiga

T: Siapa yang sudah selesai semuanya?

S2: Eh tadi gue 2 udah belom?

S5: Belom, belom. Baru dua semua.

S1: Oh iya.

S5: Ya Allah, tulisan siapa ini?

S2: Ini engga dikasih nama?

T: Before that, Miss mau ngejelasin sedikit aja. Teks yang ada di kalian semua itu kira-kira teks apa sih namanya? Apakah itu recount atau procedure? Anybody knows?

S3: Recount.

T: Recount? Yang lain apa coba?

Ss: Description

T: Ada lagi yang lain tau?

S4: Saya engga mau jawab karena takut salah.

T: Jadi menurut kalian ada yang bilang recount ada yang description. Jadi apa yang benar?

S4: Saya engga mau jawab salah satu karena takut salah.

Ss: Descriptive texts.

T: Kenapa disebut descriptive texts?

S: Karena menggambarkan

T: Buku catetannya dikeluarin. Kalau ada yang perlu boleh dicatat.

S5: Sulis, minta kertas satu lembar dong.

T: Tau engga kalau setiap teks itu punya tujuan?

- S3: Tau, Miss. Kalau recount menceritakan kembali.
- T: Ya, kalau recount itu menceritakan kembali. Apa lagi jenis teks yang kalian tau?
- S: Narrative.
- T: Ya, Kalau narrative tujuannya apa?
- S: Engga tau.
- T: Menghibur, ya. Kalau yang ini, descriptive tujuannya apa?
- S: Menceritakan suatu topik
- T: Iya, menceritakan suatu topik. Jadi dia menggambarkan. Menggambarkan apa Bahasa Inggrisnya?
- S4: Describe
- T: Ya, describe. Menggambarkan apa?
- S2: Sesuatu.
- T: Ya, menggambarkan sesuatu. Sesuatunya itu boleh apa aja? Orang bisa engga?
- S: Orang
- T: Ya, people. Tempat bisa enggak?
- SS: Bisa, binatang, Miss.
- S3: Animal.
- T: Apalagi?
- SS: Ruangan.
- T: Ok, sekarang Miss mau tanya. Sekarang coba kalian cari purpose dari masing-masing teks yang sudah kalian tulis kemarin. For example, Dani.
- S3: Eh, liat yang Dani.
- T: Jadi tujuan dari teks Dani ini adalah. Bagaimana membuatnya? *To describe*. Siapa di sini?
- SS: Dani
- T: Jadi tujuannya gimana? *To describe Dani*. Ngerti ya? Sekarang dari masing-masing kelompok.
- (masing-masing kelompok mulai berdiskusi tentang tujuan dari teks)
- T: Kalau kelompok ini?
- S1: Jadi *to describe my hamster*
- T: *To describe my hamster*.
- (guru meneruskan bertanya kepada kelompok lain)
- T: Baik, sekarang kita lanjutkan ke struktur teksnya. Ada yang tau engga strukturnya teks deskriptif itu seperti apa?
- S3: Udah, Miss, tapi lupa.

- T: Kalau descriptive texts ada *identification*, dan apa? Cuma dua. *Identification* sama *description*.
- S3: Identification dan description.
- T: Identification itu seperti apa sih? Sekarang kita coba dari teks my hamster kita mau cari identifikasinya. Identification itu identitas dari yang mau dideskripsikan.
- S1: Kalau ini my hamster berarti ya.
- S2: Kalau my boyfriend berarti my boyfriend ya?
- S4: My boyfriend
- T: Hold on, everybody. Jadi yang terakhir itu description. Description itu penggambaran. Contoh teks nya itu my classroom. Jadi yang dimaksud adalah penggambaran dari kelas itu. Misalnya kelasnya itu seperti apa, di dalamnya ada apa saja. Nah kalo kelas kita sekarang ini ada apa saja?
- SS: Windows.
- S2: Itu namanya?
- S5: President picture
- T: Okay, sekarang kita pilih teks lagi.
- S2: My classroom.
- S1: Panjang tulisannya engga kelihatan. Ini aja nih.
- S2: Dani. Dani.
- S5: Yaaah..
- T: Ok. Sekarang kalian menulis lagi seperti kemarin ya.
- S2: Boleh pake pensil engga, Miss?
- T: Boleh. Asalkan keliatan.
- (siswa mulai memilih teks dan memulai menulis)
- T: Kalau misalkan salah, dicoret saja jangan di tipe-ex.
- S4: Asik.
- S5/S2: Biar tau kesalahannya dimana.
- T: Ya, betul sekali.
- S5: Pilih nih apa aja.
- S4: Dani.
- S1&S5: Dani, Jeremy, My Classroom.
- T: Jangan lupa perhatikan huruf besar, tanda koma tanda titik.
- S2: Yang belom apa? Ya udah lanjutin aja. Ko kamu pake pulpen sih, kan jelek.
- S5: Engga bawa pensil.
- S4: Di tas males ngeluarin.

S5: Lis, punya pulpen engga?

S1: Apa lagi penggambaran my calssroomnya?

S3: Ntar dulu. Belom

S2: Ih, saiful engga nulis-nulis nih.

S4: Iya.

T: Sambil menulis dengerin dulu ya, jadi ciri-ciri teks deskriptif itu bagus harus ada objek yang dideskripsikan dan harus ada deskripsinya seperti apa. Oya, ada yang tau lagunya Bruno Mars engga? Itu deskriptif bukan?

Ss: Iya, Miss.

T: Kemarin udah sampe mana aja?

S5: My classroom

T: Sini Miss lihat.

S4: Ah jangan Miss, di bawah standard.

\*kurang jelas

S4: Sebelah pintu itu kalo di kamus

N2: Eh ini apa?

S4: Tie.

S2: Tulisannya.

S3: Masa make tie?

S4: Aduh, panjang banget.

T: Sambil ditulis, sambil dibaca, sambil dilihat itu teksnya tentang apa.

S4: Miss, mau tanya, immortal apa artinya?

T: Udah lihat di kamus?

S4: Masalahnya ini engga ada di kamus.

T: Immortal?

S4: Bukan immortal, kalau immortal saya udah tau, ini immorta.

T: Penulisannya gimana?

S4: Makanya itu saya juga engga tau.

T: Nah, ini J kecil atau J besar, sayang?

S1: J besar.

T: J besar ada titiknya?

S1: Ada.

T: Yakin? Harusnya J besar kan ya. Ingat ya, nama orang hurufnya besar.  
(siswa masih meneruskan menulis)

T: Sudah selesai belum?

S3: Saya belum.

S4: Saya belum.

T: (mengecek) Ini benar atau salah?

S4: Salah.

Ss: (berpikir) Salah.

T: Salah apanya?

S4: Saya salah semua.

T: Coba dilihat punya Saiful.

S3: Ah ininya, huruf m nya kecil.

T: Kalau kayak gini m nya besar atau kecil.

S3: M yang besar gini (sambil membentuk huruf M besar di udara)

T: Nah sip.

S4: Ampun, sampe berkali-kali salah.

T: Kalau misalkan sudah selesai, lihat pekerjaan temannya.

S5: Aduh ini tulisan (mengecek pekerjaan kawan)

S3: Bagus itu tulisannya.

S4: Classroom tuh ada R nya kan?

S3: Ada.

S2: Oya, kurang S nya.

S4: Apaan?

S3: Miss ini what apa with, Miss?

T: Di teksnya apa?

S2: With, Miss.

T: Nah, iya berarti.

S3: Jadi diganti, Miss?

T: Iya.

S1: Nah Dani sama yang ini udah. Itu yang Jeremy mana Jeremy?

S4: Nih.

T: Ayo, saling dicek ya pekerjaan temannya.

S4: Yang ini udah tapi yang ini belum, Miss. Gimana, Miss?

T: Coba dilihat lagi tulisannya.

S5: Nih grandmother harusnya engga pake spasi.

S4: Oiyaaa...

T: Have you finished?

Ss: Sudah..

S4: Giant..giant..  
T: Medium high. Kalau kulit?  
Ss: Black...  
S1: Brown..brown..brown... coklat...  
S4: Silver..silver...  
S2: White...  
S1: Bright apaan Miss?  
T: Bright skin... yang bening-bening...  
S1: Oh bening-bening...hehee  
T: Now.... sekarang kita akan membuat teks deskriptif . who knows Avril Lavigne?  
Ss: Yes..  
T: Gimana dia? Penampakannya gimana?

S2: Cewek ya dia  
S4: Laki-laki...hahaaa  
S2: Emang aku ga tau...cewek!  
S4: Laki yeee...  
S2: Justin Bieber...  
T: Sekarang..now I want every member from each group come forward to mention one adjective!  
Ss: Hah?  
T: Pilih satu adjective yang menggambarkan Avril. For example, hair dia seperti apa?  
Long.. nah... sekarang ngerti ya? Grup mana dulu? Grup ini ya...  
S4: S1!  
S3: S2, kan tempatnya di S2..  
S4: Gini-gini... puterin pulpen aja.. yah...hahaaa S1... abis S1, S4...  
T: Sekarang S4! Ayo! Nanti semua maju semua...  
S4: S1 aja Miss, tadi dia bilang "tar gue aja yang maju.."   
T: Ayo...matanya gimana?  
S4: Matanya bullet...  
S2: Coklat..  
S3: Matanya jereng..  
S4: Blue dong blue... harusnya...  
T: Ok, thank you, sekarang now this grup!  
S2: Ahhh S4!  
S2: Anda siapa?  
Ss: Yee...  
T: Ayo S4!  
S1: Miss terkenal ga Miss c Avril itu? (the example is not quite familiar)  
S5: Kan pernah datang ke Indonesia ihhh...hadooohh..  
S1: Ayooo sekarang diputer lagi... giliran siapa nih??  
S3: Ayo, liatin aja ya...yang ini kaga diulang...  
S4: Ga ada siaran ulang...jiahhh... S4 lagi... yeee..  
S1: Ga..tadi udah..tadi udah...  
T: Sini Miss aja... siap ya...  
Ss: Aaaahhhh... S5!!! Nih tinggal berdua nih... siap-siap kau... tepar-tepar kau...  
T: Sekarang kita coba.. you have mentioned the adjective of Avril. Now, to make a descriptive text... step pertamanya adalah kalian menyebutkan dari atas sampai bawah, dari rambut sampai kulit. Kemudian kita buat the complete sentence. Dia mempunyai rambut yang panjang. Gimana bahasa Inggrisnya? Kita tambahan, panjang dan lurus. Dia perempuan apa?  
Ss: He..  
Ss: She...  
T: Yep! She.. mempunyai have atau has?  
Ss: Have...  
Ss: Has...  
T: Ok has... she has...  
S: Long straight  
T: Iya pinter... she has long and straight hair... dia mempunyai..  
Ss: Rambut panjang dan lurus...  
T: Sekarang berarti udah bikin satu kalimat... terus, we are going to make the next sentence. Dia mempunyai mata yang coklat.  
Ss: She...has... eemmm...  
Ss: Brown... brown...  
S1: Brown eyes...  
T: Good... tapi ini bisa divariasikan. Tadi kan dia mempunyai, sekarang bisa memakai "rambutnya coklat"  
S4: She has a brown hair

T: Berarti rambutnya itu his hair atau her hair?  
S4: Hiss..  
S: Her hair..  
T: Her hair...kenapa her hair?  
S: Karena rambutnya Avril.. cewek  
T: Because menggambarkan perempuan.. jadi "Her hair..." sekarang eyes..  
S: Her eyes ya Miss..  
T: Her eyes... is atau are? Mata ada berapa? How many eyes do you have?  
S: Dua..  
S: Two..  
T: Berarti is or are?  
S: Are  
T: Are.. jadi, "Her eyes are round" jadi boleh begini atau begini... sama aja..  
Any question? Ok, sekarang maju ke depan lagi...  
S1: S4 Miss...  
T: Ok S4, come on...  
S4: Sebentar Miss, saya mau nanya. Kenapa sih saya mulu?  
S3: Silahkan...  
S4: enjeh..enjeeehh...  
T: Oke, sekarang S4 mau buat kalimat apa nih? Dia mempunyai apa ya..  
Ini apa ini? Mukanya bulet. Bahasa Inggrisnya apa berarti? Her...  
Ss: Face...  
T: Is atau are?  
S4: Is...  
T: Kenapa is?  
S1: Karma muka cuma satu  
T: Jadi, "Her face is round"  
Thank you S4... sekarang kamu tunjuk teman kamu siapa yang akan maju! Ok, S5...  
sekarang hidungnya.. Hidungnya maju ke depan...  
S1: She has atau have?  
S4: Her..  
T: She ... has... pointed... nose...  
Kalau diubah jadi her gimana? Hidungnya mancung..  
T: Her..  
Ss: Nose..  
Ss: Is..is...  
S3: Pointed  
T: Pinter.. nah ini, karena hidungnya Cuma ada satu jadi dikasih "a" jadi, " She has a pointed nose"  
S5: Miss nanya miss...tadi yang face gimana?  
T: She has a round face... ada lagi?

Sekarang kita ke kalimat berikutnya. "Dia tinggi" berarti gimana?  
Ss: She...has...  
T: Kalau has itu mempunyai.... kalau misalkan dia cantik gimana?  
Ss: She is beautiful..  
T: Dia cantik "she is beautiful" , dia tinggi?  
S: She is...  
Ss: She is tall...  
S4: Ugly...  
S1: No..  
T: Sekarang kulitnya cerah. Atau kulitnya terang, apa bahasa inggrisnya?  
S4: Her skin is so shiny  
S: She...  
S: Has..

S: Shiny skin!  
T: Ko shiny skin?  
S4: Tadi kan kulitnya kan terang... terang kan shiny Miss..  
S1: S4...S4.... Hahaa  
S4: Bener dong... bahasa inggrisnya terang kan shiny...bener dong gua...  
T: Hahaa... white skin  
S4: Oh.. lamp skin hahaaa kulit lampu..hahaa  
T: Ayo yang bener apa? She... has..  
S4: a... a...  
T: a bright skin...  
jadi..."She has a bright skin"... model keduanya gimana?  
S1: Her skin...her skin...is  
Kulitnya terang jadi apa?  
Her skin..  
S4: Her skin is so sunny  
T: Her skin is bright, good...  
S4: Sunny..sunny...  
S1: Panas dong...  
S4: Kaya lagu "Sunny..kalau udah gede mau jadi apa?.." hahahaa  
T: Now pay attention.. from now on, we udah bisa bikin descriptive text. Yang kedua kita bikin complete sentence-nya seperti ini. Nah yang terakhir, kita susun kalimat-kalimat tadi jadi sebuah descriptive text. Any question? Jadi ingat, bias dua kemungkinan, yang pertama bisa "She has brown eyes" atau  
Ss: "Her eyes are brown".  
T: Alright, now I want you to practice, make a descriptive text seperti yang telah kita buat sama-sama tadi. Jadi, satu grup satu karya. The theme is...temanya adalah... Anybody knows Mr. SBY?  
Ss: Know...  
T: Nah ini ada gambarnya. Judulnya, "My President"  
Ok, sebelum mulai, kita ingat-ingat lagi... step pertama apa?  
S1: Hair...  
T: Sebutin dulu adjektivenya ya... hairnya apa...  
S: Eyes...  
eyes-nya apa...  
S: face...  
T: face-nya apa... (1)  
ok, what about the second step? We have to make sentence. Dari adjective ini, kita buat sentence seperti ini. We make complete sentence. Step yang ketiga baru digabungkan menjadi sebuah teks. Ok, let's start right now!  
S4: My president  
S3: Rambutnya gimane?  
S1: Rambutnya...  
S4: Short  
S1: Short and curly  
S3: Kan ada ubannya...  
S4: Ih namanya juga short lah...  
S: Miss, rambutnya putih...  
T: Apanya putih?  
S: Rambutnya hahahaaa (1)  
S4: Oh..dalemnya darah, ada urat syaraf, ada retina mata,  
S5: Ada upil...  
T: Ingat... kalau menulis judul dimana? Di tengah, terus hurufnya gimana?  
Ss: Kapital  
S: Kapital semuanya? Atau awalnya aja?  
Ss: Awalnya aja...

T: Ayo, udah dikerjakan? rambutnya gimana?  
S1: Short..  
T: Oke, ayo ditulis...  
S4: Panjang Miss...  
Ss: Hahahaaa...  
S3: Tar calon presiden rambutnya panjang...  
S1: Kebalik tuh!!  
S4: Maklum, otak gua rada-rada kebalik  
S: Ini gimana Miss?

### **THE AMAZING TAJ MAHAL IN INDIA**

Taj Mahal is regarded as one of the eight wonders of the world. It was built by a Muslim Emperor Shah Jahan in the memory of his dear wife at Agra.

Taj Mahal is a Mausoleum that houses the grave of Queen Mumtaz Mahal. The mausoleum is a part of a vast complex comprising of a main gateway, an elaborate garden, a mosque (to the left), a guest house (to the right), and several other palatial buildings. The Taj is at the farthest end of this complex, with the river Jamuna behind it.

The Taj stands on a raised, square platform (186 x 186 feet) with its four corners truncated, forming an unequal octagon. The architectural design uses the interlocking arabesque concept, in which each element stands on its own and perfectly integrates with the main structure. It uses the principles of self-replicating geometry and symmetry of architectural elements.

Its central dome is fifty-eight feet in diameter and rises to a height of 213 feet. It is flanked by four subsidiary domed chambers. The four graceful, slender minarets are 162.5 feet each. The central domed chamber and four adjoining chambers include many walls and panels of Islamic decoration.

Taj Mahal is built entirely of white marble. Its stunning architectural beauty is beyond adequate description, particularly at dawn and sunset. The Taj seems to glow in the light of the full moon. On a foggy morning, the visitors experience the Taj as if suspended when viewed from across the Jamuna River.

## **My Cat Gregory**

Gregory is my beautiful gray Persian cat. He walks with pride and grace, performing a dance of disdain as he slowly lifts and lowers each paw with the delicacy of a ballet dancer. His pride, however, does not extend to his appearance, for he spends most of his time indoors watching television and growing fat.

He enjoys TV commercials, especially those for Meow Mix and 9 Lives. His familiarity with cat food commercials has led him to reject generic brands of cat food in favor of only the most expensive brands.

Gregory is as finicky about visitors as he is about what he eats, befriending some and repelling others. He may snuggle up against your ankle, begging to be petted, or he may imitate a skunk and stain your favorite trousers. Gregory does not do this to establish his territory, as many cat experts think, but to humiliate me because he is jealous of my friends.

After my guests have fled, I look at the old fleabag snoozing and smiling to himself in front of the television set, and I have to forgive him for his obnoxious, but endearing, habits.
