ABSTRACT

Faila Nurrahma, The Role of the Mahardhika Women's Organization as a *Civil Society Organization* in Increasing Gender Awareness. Thesis, Jakarta: Sociology Study Program, Faculty of Social Sciences, State University of Jakarta, 2020.

This study aims to describe the role of the Mahardhika Women's organization in increasing gender awareness, explain the rationale for the formation of the Mahardhika Women's organization, explain the programs and activities in an effort to realize gender awareness as an organizational goal, explain the supporting and inhibiting factors for the Mahardhika Women's organization. Explain the Mahardhika Women's organization as a *Civil Society Organization* and explain the role of the Mahardhika Women's organization in increasing gender awareness among the organizers of the Mahardhika Women's organization.

This research uses a descriptive qualitative approach with data collection techniques through observation, interviews, documentation, and literature study. The research subjects consisted of five members of the Mahardhika Women's organization and one senior female activist as data triangulation. When the research was conducted from early April to June 2019. In the analysis process the researchers used the concept of organization, the concept of *civil society* and the concept of gender.

The results of this study indicate that the role of the Mahardhika Women's organization as a *civil society organization* can increase awareness of gender in the management of the Mahardhika Women's organization. There are also main programs run by the Mahardhika Women's organization which include feminist schools, research / research and advocacy as well as daily activities such as organizing and promoting campaigns as a form of strategic objectives for an organization. In addition, the role of the existence of the Mahardhika Women's organization showed an increase in gender awareness among the Mahardhika Women's management who were involved in carrying out their programs and activities.
