ABSTRAK

DAHNIARNY MAULINA BAHAR. 2013. Bahasa Guru untuk Merangsang Keterlibatan Siswa Sekolah Dasar dalam Pembelajaran Bahasa Inggris. Skripsi. Jakarta: Jurusan Bahasa dan Sastra Inggris, Fakultas Bahasa dan Seni, Universitas Negeri Jakarta.

Penelitian ini bertujuan untuk menganalisa bahasa guru yang digunakan untuk melibatkan siswa sekolah dasar dalam belajar Bahasa Inggris. Keterlibatan siswa dalam kegiatan belajar mengajar dapat menjadi indikator dari kesuksesan pembelajaran terutama aspek pemahaman materi. Untuk jenjang sekolah dasar, bahasa guru sangat berpengaruh terhadap pencapaian perkembangan belajar siswa. Oleh karena itu, maksud dari ujaran guru menjadi penting untuk diteliti. Ujaran guru dan siswa di rekam dan ditranskripsikan, selanjutnya dikaji dengan menggunakan kajian '*Initiation-Response-Follow up*' (IRF) dan *interpersonal moves* dari Halliday untuk mengidentifikasi siapa yang berinisiatif memulai dalam interaksi kelas dan apakah fungsi dari ujaran tersebut sehingga dapat diketahui ujaran yang manakah yang dapat melibatkan siswa secara *cognitive*, *emotional* atau *behavioral*. Hasil perhitungan menunjukkan bahwa guru lebih mendominasi dalam interaksi kelas. Dari 3 transkrip interaksi terdapat 1259 ujaran guru yang terjadi, 612 ujaran digunakan untuk menginisiasi interaksi dengan siswa dan 409 ujaran digunakan sebagai *follow up* untuk membantu siswa mengerti ujaran guru, menjawab pertanyaan, mengklarifikasi dan memberi penguatan. Ujaran guru tersebut juga digunakan untuk melibatkan siswa secara *cognitive*, *emotional* dan *behavioral*. Dengan hasil tersebut dapat disimpulkan bahwa pembelajaran bahasa pada siswa sekolah dasar yang diteliti masih tergantung pada inisiatif guru.

Kata Kunci: Siswa Sekolah Dasar, Bahasa Guru, Keterlibatan Siswa, *Initiation-Response-Follow up*, *cognitive*, *emotional*, *behavioral*.

ABSTRACT

DAHNIARNY MAULINA BAHAR. 2013. Teacher's Talk to Stimulate Primary School Students's Engagement in English Learning. A Thesis. Jakarta: English Language and Literature Department. Faculty of Language and Art.State University of Jakarta.

This research was aimed to identify the teacher's talk used to stimulate engagement primary school students's in English learning. The student's engagement in teaching and learning process could be an indicator of the succesfull teaching especially in the comprehension of material. In primary school, teacher's talk was affect the student's development. This statement was a primary reason why the function of teacher's talk become important to be analysed. The utterances between teacher and students have been recorded and transcribed, then it had been analysed used Initiation – Response – Follow up (IRF) and interpersonal moves by Halliday to identify who initiated the interaction and what the function of teacher's talk were so at the end it would be captured which teacher's talk that stimulate student's engagement cognitively, emotionally or behaviorally. The result showed that teacher was dominated in the interaction. From the three of transcript, there were 1259 utterances; 612 utterances used for initiated the interaction with the students and 409 utterances used for follow up to help students understanding the teacher's talk, answering the question, clarifying and giving a reinforcement. Those teacher's talk also used for engaging student cognitively, emotionally and behaviorally. From those result, it can be concluded that the teaching and learning process in the primary school students which have been observed depends on the initiation from teacher.

Key words : Primary school students, teacher's talk, student's engagement, Initiation-Response-Follow up.

ACKNOWLEDGEMENT

For God, family and friends, this *skripsi* could not be finished without their support. Alhamdulillah Allah, Allah, Allah, all praise for You who always give me the light, the warm and the blessing day.

Thanks for the love and joy shared by my parents, no word can represent how I thank you both. Thanks also is never enough for my two teenagers in crime. Although at the first time when you all were born to this world, I feel you will ruin my life and take mama papa's love for me who at that time be the one lovable child for 6 years but, at the end, I so thanksfull for having you who makes me learn how beautiful life when we have someone called brother and sister; Fitri and Satria.

I also would like to say thank to Ibu Darmahusni as the head of English Department UNJ for your acceptance and signature that makes my *skripsi* become legal to be announced. Thanks to Pak Darya who gave me the signature on my *rekapitulasi nilai*. Pray also always be given to my academic advisor, Ibu Hanny, a woman who never looked sad and always be strong. Thanks very very much to all of my lecturers who gave me a permission when I passed their classes due to my travelling assignments as my job.

Maybe the word 'thank' is not enough for my skripsi advisor, Ibu Sri Sumarni. Thanks for the support, the advice and your patient in answering and guiding my way until today finally I can finish it. Thanks also being given for you

Bu Sri who gave me a chance to meet with the nine others *skripsi* fighters, my new family, maya, ocha, iphal,laras, petty, sintia, selphine, ajeng and ka surya. You rock guys, we did it! For Miss Nita, Mr. Karya and Miss Rina, thank you for your kindness and gave me an opportunity to observe your class activity.

My 09 dik B, wow, I can not wait for our holiday! finally, one by one, we could say ‘LULUS’! I never thought , 4 years have been passed faster. To Fitri Nurhayati, Alida Megasari, although you all have graduated earlier than Ocha and I, but our MMJ will always be in my heart. Thanks for all 47 driver who always driving your metromini carefully and makes me comes earlier to the campus. Thanks to commuter line passengers who always makes me feel like in the sardine can. Bye guys.. now I will drive my own car to my next destination called work.

If the other friends tribute this last paragraph to her boyfriend, I will not do that. That's so yesterday.
