

ACKNOWLEDGMENT

First and foremost, I thank Allah SWT for the protection, blessing, love, opportunity and health to complete this undergraduate thesis. In arranging this thesis, a lot of people have provided motivation, support and love that had helped the writer. And I, the writer, express my gratitude and appreciation to:

1. Mama, Ayah and Aibal who always offered their encouragement through their endless love, prayer, and motivation to support me whenever I faced difficulties in completing this research.
2. My sincere appreciation goes to my research supervisor, Ms. Nurbaity, M.Hum. for her dedication, motivation, and guidance to help me in every step throughout the completion of this research.
3. The greatest thanks go to Mrs. Rahayu Purbasari, M.Hum. as the head of English Literature Study Program and Mrs. Atikah Ruslianti, M.Hum for advice, motivation and useful knowledge.
4. Furthermore, I also want to thank my classmates 16 SB who become my support system since 2016, thank you for the precious memories and laughter. I am so grateful to have them.
5. Last but not least, Klasik Asik, something that we promised and imagined to grow old together. Thank you for the cheerful days that we shared together, motivation, and for giving me shoulders to lean on.
