ABSTRAK

Aneu Damayanti. 2024. Exploring Humor in Muslim Women's Stand-up Comedy: A Feminist Criticism into Muslim Women Collective Experiences.
Thesis: Jakarta, English Literature Study Program, Faculty of Language and Arts, Universitas Negeri Jakarta.

Penelitian ini bertujuan untuk menganalisis empat pertunjukan *stand-up comedy* dari Sakdiyah Ma'ruf, Fatiha El-Ghorri, Shazia Mirza, dan Shaparak Khorsandi. Dengan menggunakan pendekatan analisis konten kualitatif, penelitian ini bertujuan untuk memahami bagaimana struktur *stand-up comedy* mengungkap tema-tema di setiap bagiannya dan menyelidiki bagaimana kritik feminis dapat diterapkan untuk mengungkap isu-isu umum yang dialami perempuan dari tema-tema yang diidentifikasi. Dengan menggunakan pendekatan teori *incongruity* yang dikemukakan oleh Schopenhauer dan Kant, teori struktur *stand-up comedy* dari Dean, dan kritik feminis dari Tyson yang didukung oleh Lianawati, penelitian ini menemukan bahwa terdapat tiga belas tema dalam Sakdiyah Ma'ruf, tujuh tema dalam Fatiha El- Ghorri, tujuh tema dalam Shazia Mirza, dan dua tema dalam Shapparak Khorsandi. Dari tema-tema tersebut, ditemukan tujuh isu umum dalam materi stand-up comedy yang berkaitan dengan pengalaman perempuan membahas tentang tekanan untuk menikah, stereotip gender, pembatasan dan penindasan keintiman, otoritas patriarki, penindasan terhadap perempuan, peran gender, dan kekerasan berbasis gender. Permasalahan tersebut saling berkaitan dan berakar pada norma-norma patriarki yang menyebabkan ketimpangan antar gender.

Kata kunci: *stand-up comedy*, humor, gender, perempuan, patriarki

ABSTRACT

Aneu Damayanti. 2024. Exploring Humor in Muslim Women's Stand-up Comedy: A Feminist Criticism into Muslim Women Collective Experiences.
Thesis: Jakarta, English Literature Study Program, Faculty of Language and Arts, Universitas Negeri Jakarta.

This study aims to investigate the themes reflected in four stand-up comedy performances from Sakdiyah Ma'ruf, Fatiha El-Ghorri, Shazia Mirza, and Shaparak Khorsandi. By employing qualitative content analysis approach, this study aims to understand how the structure of stand-up comedy reveals the themes in each bit and to investigate how feminist criticism can be applied to reveal common issues of women experiences from the identified themes. Using the theoretical approaches of incongruity derived from Schopenhauer and Kant, stand-up comedy structure theory from Dean, and feminist criticism from Tyson supported by Lianawati, this study found that there are thirteen themes in Sakdiyah Ma'ruf, seven themes in Fatiha El-Ghorri, seven themes in Shazia Mirza, and two themes in Shapparak Khorsandi. The seven common issues in stand-up comedy material pertaining to women's experiences address about marriage pressure, gender stereotypes, intimacy's restriction and suppression, patriarchal authority, women's oppression, gender roles, and gender-based violence. Such issues are interconnected and rooted in patriarchal norms that cause inequality between genders.

Keywords: stand-up comedy, humor, gender, women, patriarchal

ACKNOWLEDGEMENT

I would like to express my deepest gratitude to those who have been instrumental in the completion of this thesis amidst challenging circumstances. Firstly, I extend my heartfelt thanks to myself for navigating through a period of personal loss and professional responsibilities, all while balancing advocacy work and earning a livelihood.

I would like to express my deepest gratitude to Ma'am Rahayu, the coordinator of English Literature Study Program, for her guidance and support in the writing and administration of this study.

I am sincerely grateful to Ma'am Aisah, Ma'am Resti, and Amel for their unwavering support throughout the thesis writing process, providing valuable time, feedback, and encouragement that kept me motivated to persevere.

My organization deserves special recognition for introducing me to remarkable women whose inspiring works and progressive literature have significantly influenced and inspired the writing of this thesis.

To my family, especially my mother, who provided me with a nurturing environment and supported my academic journey without burdening me with additional responsibilities, I am profoundly thankful. Despite our physical separation during the final semester due to relocation, their unwavering support ensured the continuity of my academic pursuits.

To my closest friends, especially *Kolektif Nanas & Paseban*, who always tried to encourage me and also provided me with source books that really helped me understand critical theories. Also to my dearest, who has accompanied me to work on my thesis at critical times.

Lastly, I offer my gratitude to the Almighty, whose grace and blessings have sustained me through the tumultuous months, granting me strength and resilience to overcome challenges and complete this thesis.
