

ACKNOWLEDGMENT

In the name of Allah the Beneficent, the Merciful

Alhamdulillahirabbilalamin, all praised be to Allah SWT who has given the writer mercies and blessing so, she can accomplish and complete this thesis entitle “*Designing ICT Competences-Integrated Models of Teaching of Practical Key Teaching Competences Courses for English Language Education Study Program*”. This thesis will be presented to the Faculty of Language and Arts Universitas Negeri Jakarta as the requirements for getting the Master degree in English Language Education Master Program.

There are many people who give their own contributions during her struggle to complete this Thesis. So, in this special occasion, she also likes to convey her special gratitude to them. The first and foremost, the deepest gratitude to the Mrs. Dr. Darmahusni, M.A. as the first supervisor and Dr. Siti Drivoka Sulistyaningrum, M.Pd. as the second supervisors who have given their knowledge, valuable guidance, encouragement, patience, correction, and suggestion to the writer in finishing her research paper. The second gratitude is expressed to her beloved parents who always give her love, prayer, moral and financial supports in finishing her study, also her beloved sister who always keeps reminding me to finish this study. She also would like to thank

The writer’s sincere gratitude also goes to all inspiring lecturers and staffs in English Language Education Master Program who have taught the writer useful knowledge and skills, Mr. Yusuf Imron, as the staff administration in English Language Education Master Program who always helps the writer in organizing

the documents, and his support to finish this study, the pedagogy team: Weby Yollanisa, Sri Susanti and Muthia Andini for encouraging, sharing and discussing the knowledge to finish the thesis, the Model of Teaching team, the friends from Class A and B of PMPBI 2017 who have shared time and bittersweet moments together, and all people who cannot be mentioned one by one for their support and help. May Allah, The Almighty, bless them all, Amin.

Her apologizes for any mistakes and happily receives any constructive criticism and suggestion, her hope is that this study will be useful for everyone.
