### Judging a Restaurant by its Name

Last October, Baltimore handed out its first citation to a restaurant for repeated violations of the city's trans-fat ban. The name of the eatery: Healthy Choice.

### Organization

I always thought my friend was disorganized, but after helping her move, I stand corrected. The label on a box I carried read "Stuff off the floor."

### The Difference between an Optimist and a Pessimist

"What's the difference between an optimist and a pessimist?" I asked my husband. He thought for a minute before responding, "An optimist is the guy who created the airplane. A pessimist is the guy who created the parachute."

### Lawnmower Upgrade

At age 70, my grandfather bought his first riding lawn mower.

"This thing is great," he bragged to my brother. "It took me only an hour and a half to mow the lawn. It used to take your grandmother two days to do it all!"

### Gassing Up

When my father ran out of gas, he called my mother to pick him up in her car. They went to a gas station, filled a gas can, and returned to his car. After a few minutes, he got into her car again. "We need to go back to the gas station," he said.

"One gallon wasn't enough?" she asked.

"It would have been if I'd put it in the right car."

### **Life or Something Like It**

The human race is faced with a cruel choice: work or daytime television.

### **Moving Time**

I was in the back of our ambulance tending to a patient when we slowed to a crawl. Just ahead of us, a huge semi was hauling a house.

"Don't you hate that?" said our driver. "When people are simply too lazy to pack."

### **Airplane Talk**

En route to Hawaii, I noticed one of my passengers in the coach section of the airplane dialing her cell phone. "Excuse me. That can't be on during the flight," I reminded her. "Besides, we're over the ocean—you won't get a signal out here."

"That's okay," she said. "I'm just calling my daughter. She's sitting up in first class."

### **Cooking Tip**

I can't cook. I use a smoke alarm as a timer.

### **Long Day**

I was asked to participate in a video for work, so I brought in a couple of outfits and played thespian for a day. At the end of the shoot, the receptionist eyed me suspiciously as I walked around in outfit number two. "Have you changed clothes?" she asked. "Or did I forget to go home?"

### **Overheard at the Salon**

At the salon, I overheard the receptionist admit to another customer, "I haven't taken my vitamins today. I'm walking around unprotected."

The customer commiserated with her. "I haven't taken my Prozac today—everyone's walking around unprotected."

### **Everyday Occurrence**

When I arrived at my mother's apartment complex, I was greeted by the disconcerting sight of a fire truck parked outside. There was no sign of smoke, and the firefighters didn't seem worried. Still, I asked one, "Is it safe to go inside? I'm a little wary of entering a building when the fire truck's lights are on."

"Don't worry about it," he said. "We do it all the time."

### **Good Eulogy**

The pastor asks his flock, "What would you like people to say when you're in your casket?"

One congregant says, "I'd like them to say I was a fine family man."

Another says, "I'd like them to say I helped people."

The third responds, "I'd like them to say, 'Look! I think he's moving!'"

### **Location**

I just got a GPS for my car, and my first trip with it was to a drugstore. Since the manual said not to leave it in the car unattended, I brought it with me into the store. While there, the GPS came alive, and a voice stated, "Lost satellite contact."

I wasn't embarrassed until a woman turned to me and said, "Your ankle bracelet monitor is talking to you."

### **Hi-Def**

Our salesman at the electronics store was pitching a high-definition television. A fellow shopper, overhearing the spiel, mentioned that he'd upgraded his regular TV to high-def. "How'd you do that?" my husband asked.

"I dusted the screen."

## The Indonesian Jokes

(Retrieved on June 18, 2012 from <http://www.readersdigest.co.id/humor/humoria/007/001>)

### Psst..jangan kasih tahu yang lain ya

Suatu hari saya mengajak keponakan saya yang berumur 5 untuk mengambil uang di anjungan tunai mandiri alias ATM. Karena baru pertama kali melihat mesin ATM dengan nada bingung ia bertanya, "Tante, main game, kok, nggak pakai koin?"

### Budiman bukannya nama bis, ya?

Aku sedang mengajarkan lagu Pergi Belajar karya Ibu Sud kepada seorang keponakan, yang telah seminggu ikut play group. Saat syair lagu terakhir yang berbunyi '...itulah tandanya kau murid budiman', tiba-tiba dia protes, "Adek bukan murid Bu Diman, tapi murid Pak Diman,"  
Kontan semua yang ada di situ tertawa menanggapi keluguan keponakan saya itu.

### Merdeka!!

Pada 17 Agustus tahun lalu, aku dan keluarga hendak pergi ke Museum Gajah di Jalan Merdeka Barat. Aku memberhentikan sebuah taksi dan berkata, "Merdeka, Bang." Maksudku meminta sopir mengantarkan ke Jalan Merdeka.  
Tapi sopir tersebut justru langsung menanggapi dengan mengatakan, "Merdeka, Pak! Mau kemana, nih?"  
Anggota keluargaku yang lain hanya senyum-senyum saja, sebelum akhirnya kujelaskan maksudku.

### Korek Api untuk Komputer

Hari Minggu selepas Maghrib, saya membolehkan anak saya, Fauzan (4,5), bermain *game* di komputer. Ketika sedang asyik bermain, tiba-tiba lampu padam dan ruangan menjadi gelap. "Ibu, kenapa, nih?" Fauzan berteriak setengah menangis.  
"Listrik padam, Nak. Sebentar, Ibu cari senter dulu," ujar saya mencoba menenangkan. Setelah mendapatkan senter, saya mendatangi Fauzan dan

menjelaskan mengapa gelap dan komputernya mati.

Setelah dia kelihatan cukup mengerti, saya ke dapur untuk menyalakan lilin, sementara Fauzan mengekor di belakang dan memerhatikan saat saya menyalakan lilin.

Ketika ruangan menjadi cukup terang, dia berkata, “Bu, aku boleh pinjam ini?” sambil menunjuk korek api.

“Buat apa?” saya bertanya.

“Buat nyalain komputer, supaya bisa main lagi.”

### **Aturan Ibu**

Rekan kerjaku mulai putus asa dengan pekerjaannya dan sedang mencari pekerjaan baru.

“Kenapa kamu tidak bekerja di perusahaan ibumu saja?” saranku.

Ia menggelengkan kepala. “*Nggak* bisa,” katanya. “Perusahaan itu melarang praktik nepotisme di kantor.”

“Siapa yang membuat aturan lucu tersebut?”

“Ibuku.”

### **Situs Main Tenis**

Saya sedang berusaha menjelaskan kepada keponakanku, bahwa situs internet yang akan kami kunjungi sedang melakukan maintenance. Dengan polosnya, keponakanku bertanya, ”Oh, ‘main tenis’ di mana dia, Om?”

### **Apa Rencana Anda?**

Setelah hamil aku memutuskan berhenti dari pekerjaanku. Pada formulir keluar dari pekerjaan, aku diminta mengisi pertanyaan, “Apa rencana Anda setelah berhenti bekerja?”

Jawaban saya, “Melahirkan”.

### **Ikan Kejang**

“Saya rasa ikan mas saya mengalami kejang,” kata seorang pria kepada dokter hewan.  
“Melihat kondisinya sekarang, sepertinya ikan ini sudah sembuh,” ujar dokter tersebut.  
“Tunggu, Anda harus lihat saat saya mengeluarkannya dari akuarium.”

### **Undangan Pesta Ulang Tahun**

Seorang gadis Jerman memajang undangan pesta perayaan ulang tahunnya yang ke-16 di laman Facebook miliknya. Tetapi dia lupa memberi tahu bahwa undangan itu hanya berlaku untuk teman-teman dekatnya.  
Sebagai hasil, 1.500 orang yang tak dia kenal datang ke pesta ulang tahunnya, dan berpesta sampai pukul dua pagi ketika polisi membubarkannya.

### **Aku Cinta Kamu**

Seorang pria sedang mabuk bersama istrinya. Dalam keadaan tidak sadar ia berkata, “Aku cinta kepadamu.”  
”Itu kamu atau bir-nya yang sedang berbicara?” sindir istrinya.  
“Oh, itu kata-kata saya,” kata pria itu, “untuk bir.”

### **Ikut Clubbing**

Semasa duduk di bangku SMA saya termasuk anak yang kurang bergaul. Namun hal itu baru saya sadari ketika duduk di bangku kuliah. Tepatnya ketika salah seorang teman kuliah wanita yang cantik mengajukan pertanyaan kepada saya, "Kamu suka *clubbing*?"  
Dandengan santai saya menjawab, "Iya. Aku ikut klub filateli. Kamu?"

### **Serangga Centil**

Saat makan malam keluarga, kakak lelakiku mengeluhkan banyaknya serangga di cottage. “Saat di kamar mandi, aku melihat serangga merangkak keluar dari dalam tas make-up Ibu,” kata kakakku.

Ibu merespon “Bagaimana wajahnya?”

### **Cita-Cita**

Dahulu, saya berpikir bahwa cita-cita saya adalah menjadi petugas pemadam kebakaran. Ternyata saya hanya senang pada kegiatan memecahkan kaca jendela dengan kapak.

### **Judul Berita**

Salah satu jenazah di rumah pemakaman tempat kami bekerja adalah jenazah seorang petani yang terkena serangan jantung saat berusaha membantu sapihnya melahirkan. Judul dalam berita kematiannya tertulis” Tuan Jones Meninggal Saat Melahirkan Anak Sapi”

### **Keramas**

Ketika sebuah kelompok paduan suara mengadakan konser di sekolahku, seluruh murid keluar dari kelas untuk menonton di koridor depan. Saat sedang asyik menikmati lagu yang dinyanyikan, mendadak kami mendengar obrolan yang cukup keras dari sepasang kekasih di belakang.

Tahu apa yang ditanyakan sang cowok kepada kekasihnya itu? “Sayang, kamu belum keramas, yah?”
